Dear Health Professional,

We are happy to invite you to the 2nd Cranes Club Health Conference which will take place in Bad Camberg (Neumühle) on the 3rd-5th of November.

Almost one year has passed since our first health conference in Seebenstein (see [last year's speaker summaries](#)). The CC Health Conference was initiated with the Cranes Club Vision of True Mother to gather professionals with Unificationist background to create added value by developing talents and expertise. This conference is for all health professionals (whether you are a student or trainee in a health-related field or an experienced professional) and it is a great way to create synergies between 1st and 2nd generation.

The programme is developed based on last year's conference's feedback and will cover a broad range of topics across the health and medical field based on participants' profiles. It will include presentations, networking sessions, sharing, panel discussions and a space to explore common initiatives. Wholesome food will be provided, along with a supporting recreational program (sports/stretching sessions, entertainment etc.).

The conference starts on Friday morning (3rd of November) and ends on Sunday (5th of November). Participants who travel from abroad/far have the possibility to arrive the night before.

Price:

100 € (regular fee)
85 € (student/unemployed)
Cranes Club members: 90€/75€

We plan to make this conference unforgettable and you can become a part of it.
