**Re: LEVEL 2 BLESSING WORKSHOP: "Finding My Ideal Partner" June 22-24, 2012 at the UTS Conference Center, Barrytown, NY**  
**Date: May 18, 2012**

We are excited to announce a "Level II" Blessing workshop, "Finding My Ideal Partner," scheduled for June 22 - 24, 2012 at the UTS Conference Center in Barrytown, NY. With the strong emphasis of our National President and Senior Pastor, Reverend In Jin Moon, upon Blessed Children's education and the importance of maturity and preparation for the Blessing, an enhanced system of Blessing education is in development, comprised of three distinct levels.

**This program welcomes those 18 and older**, who are preparing to enter the matching process or want to understand it more deeply and clearly. It is designed to help candidates understand and prepare for the matching process, to consider the right time to begin, and to develop a clear plan in communication with their parents. Internal education, practical guidance, testimonies and more are included. Previous attendance to a Level 1 "The Ideal of the Blessing" workshop is helpful, but not required at this time. While attending a Level 2 workshop is required before participating in the Blessing, young adults should attend because they want to. It is not recommended that parents push or force their children to attend.

Additional Level I and Level II workshops will be organized locally later in the year, as well as nationally organized Level III "Start Smart" workshops for engaged and newly Blessed couples. In addition, materials for the Level I program are being developed for small group study and online education.
