The Milwaukee Family Church held a two-hour education session to learn about the Holy Items and Special Grace prior to conducting the main event.

“We had a great, spiritually-filled meeting and ceremony with many tears shed,” described District Pastor, Rev. Jeffrey Schmidt. “Everybody is excited to receive the Holy Items, as well.”

“The Special Grace Ceremony to me was a profound experience of the love of True Parents through True Mother. The heart of suffering that is Mother’s, akin to mother Mary in Luke’s gospel “where she pondered all these things in her heart,” True Mother has been aching for her children and agonizing for Heavenly Parent and seeking ways to embrace and forgive all the ways we have hurt God. This Special Grace brings True Mother close to us in a personal and gracious bond. My heart feels overwhelming gratitude to Mother and that True Parents offer tremendous opportunity for healing and hope.” – Marian North
