Dear WFWP members, friends, and supporters,

It is with great anticipation that we prepare for this month's **HerStory** award ceremony on Saturday, September 3 at 3:00 pm eastern! Again we will be hearing from some amazing women leaders as HerStory Award recipients, coming from across the US. Please join us in honoring these women peace leaders and hear the deeper story behind their accomplishments.

Each HerStory recipient has been selected for her courage, compassion, and commitment to using her gifts and talents to uplift others, despite often overwhelming challenges. Recipients will share a few practical points of lessons learned as they overcame trials and tribulations, in order to encourage other women and the next generation.

Feel free to also invite others to hear inspiring stories from some amazing women of the heart!
