

WFWP USA: 30 years of impact - Give today to keep WFWP strong in 2023!

Dear,

Little did we expect back in 1992 that Women’s Federation for World Peace would shine for 30 years and touch so many lives! But thanks to the generosity of peace-loving individuals and families, our dream of empowering women and their communities with **Leadership of the Heart** education is going strong. In the past 5 years alone, WFWP education has reached over 83,000 people!

Can we count on your support for a bright new decade?

Yes! I want to support WFWP programs in 2023

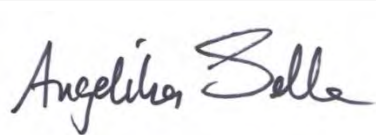

Local WFWP chapters serve communities abroad through projects like *Schools of Africa*, 10 opportunity-giving schools in 8 countries!

As an organization with coveted “general consultative status” with the United Nations, we are the voice for women’s role in nurturing the Culture of Heart, including on the Korean peninsula!

Your kind donation today will make a powerful difference! You can be a benefactor to a young woman searching for her true God-given purpose. You can help a WFWP chapter conduct a reconciliation between historical enemies. ***Let’s sparkle and shine*** together this year (and the next 30 years!) and bring the possibility of the Culture of Heart to everyone.

With love and gratitude,

Angelika Selle

unique value and bring lasting peace.

Your donation will go toward development of critical materials and curriculum to enhance local programs. Over 200 volunteers in our 35 chapters nationwide are bringing a voice of love and compassion to communities in America. Your support will guarantee the continuation of projects such as the "National Day of Service" for middle and high school students, "WFWP Girls" in New Jersey, "Leadership of the Heart Seminars" and "Cornerstone for Happiness: Marriage and Family Seminars" nationwide, and many more.

On the occasion of WFWP's 30th anniversary, we hope you will be inspired to join us in continuing this important and impactful work for years to come!
