### Now more than ever, the world needs women to fulfill their roles as mothers, nurturers, and Leaders of the Heart!

WFWP USA has been working tirelessly for the past 30 years to give women the tools and education they need to feel empowered in their God-given femininity. These women leaders strive to create peace in their families, communities, and in numerous sectors of society.

This impact for good is fueled by kind friends like you! Your donation today will help us bring WFWP programs and education to many more women. A recent WFWP seminar on the topic of self-care and healing **reached nearly 400 women!** And women uplifted and rejuvenated are capable of amazing wins for the Culture of Heart.

Can we count on your support this season of giving?

Yes! I want to help women creating a  
Culture of Heart

Local WFWP chapters care for their communities by teaching the joy of service to young people.

WFWP encourages and uplifts women leaders working in fields as varied as special needs advocacy and music.

***Looking for a way to turn the world towards peace?*** You can give the world its mothers! You can help women fulfill their God-given purpose to embrace and heal others.

Donate today for a big  
impact in 2023!

unique value and bring lasting peace.

Your donation will go toward development of critical materials and curriculum to enhance local programs. Over 200 volunteers in our 35 chapters nationwide are bringing a voice of love and compassion to communities in America. Your support will guarantee the continuation of projects such as the "National Day of Service" for middle and high school students, "WFWP Girls" in New Jersey, "Leadership of the Heart Seminars" and "Cornerstone for Happiness: Marriage and Family Seminars" nationwide, and many more.

On the occasion of WFWP's 30th anniversary, we hope you will be inspired to join us in continuing this important and impactful work for years to come!
