

Warm Holiday Greetings from WFWP USA to all our supporters,
friends, and families!

At a time when we are surrounded by events and emotions of
"darkness," turmoil, and pain, let us come from the inside and
connect with our God-given inner light of love and good will and
let it shine strongly to those around us and into the world! Let
us continue to "Live by the Logic of Love!"

**Hatred paralyzes life; love releases it.
Hatred confuses life; love harmonizes it.
Hatred darkens life; love illuminates it."
*Dr. Martin Luther King, Jr. (1929-1968)***

Have a joyous Christmas, Hanukkah, and Kwanzaa and simply
happy times with your family and loved ones!

Here is to a happy, healthy, and prosperous New Year 2016!

With love,
Angelika Selle
