Dear friends,

As an update on the America and God's Will- Washington Monument Rally, we are excited to introduce to you a portion of the program that Women's Federation for World Peace USA will be facilitating.

This reconciliation moment called "Mothers of Healing and Forgiveness" will feature raw accounts of mothers whose children have been assaulted and taken through violence, and who have chosen to end the cycle of violence through forgiving the unforgivable.

If you are able to join us this coming September 17th, RSVP your attendance at [americaisgodshope.org/](http://americaisgodshope.org/).

If you are unable to attend, [click here](#) to support through a donation.

# MOTHERS OF HEALING AND FORGIVENESS

Celebrating mothers who overcame the incredible pain of violence against their own child, and still flew on the WINGS OF FORGIVENESS.

*"Never give up, for that is just the place and time that the tide will turn."*  
Harriet Beecher Stowe

We honor these mothers for their example of ending the cycle, by forgiving the unforgivable in the name of peace.
