

## Peace Starts With Me: A Special Thank You!

Angelika Selle

July 24, 2017

[Become a Friend Today!](#)

Dear Friend,

On July 15, Madison Square Garden truly became a "Garden of Peace", as Dr. Hak Ja Han Moon, Co-Founder of Women's Federation for World Peace addressed an audience of over 15,000 people, to share a message of hope, challenge and peace. The hall became transformed into a place of interfaith worship through the nearly 3,000 voice choir, the presence of religions leaders of all faiths, the presence of thousands of young dancers and singers, all affirming the fact that humanity indeed is "One Family under God" who is the Creator of us all.

Women's Federation for Peace participants and VIPs were deeply touched by Mother Moon herself and felt compelled to "do something" or to do more for the sake of making Peace a reality.

Undoubtedly the pre-event WFWP sponsored at the New Yorker Hotel that same morning with the dynamic guest speaker and former Ambassador Suzan Johnson Cook, had set the stage for this high spirited event at the Garden. Amb. Johnson Cook choose to speak on the same topic "Peace Within" from her own experience as a woman leader, mother and Ambassador and gave the 120 some ladies (and a few supporting gentlemen) nuggets of wisdom and practical tools as to how to achieve the peace within, the pre-requisite for Peace in the World.

We are all determined to go forth with renewed hope, energy and and love. A big Thank You goes to all those who overcame all kinds of challenges to be able to attended, for those who prayed or lent their name to the Host Committee, or contributed in any way. We will send out the digital program book with the names before the end of this month.

Most of all participants who were at the Garden feel even more empowered and motivated to keep the momentum going, especially as women, mothers and leaders, who have much work in front of us to "Be the Lights of the World" as Mother Moon encouraged all to be.

Let us then create peace in ourselves and bring it into our daily lives, relationships and world affairs.

Have a wonderful rest of the summer!

Warmest regards,

Angelika Selle  
President, Women's Federation for World Peace USA  
Vice President, Women's Federation for World Peace International

PS If you would like to spread the word of this "Peace Begins With ME" Check out a new way to "Get Involved" on our website called "Become A Friend".
