Happy #GivingTuesday!

On this very special national day of giving, you can be a blessing to this country, and people all around the world, with support that has **real impact**.

A donation of \$25, \$50, or \$100 to WFWP means more peace and reconciliation programs, more healthy relationships programs, and more leadership training for women!

Now is the perfect time to share your values and spread the message of women's vital role in peace building. Let everyone know about our campaign, to keep WFWP strong in 2020.

What the world needs now: the healing power of women leaders

"How can there be any jealousy when all of humankind are brothers and sisters under one Parent? This would be the peace that humankind has been longing for since the beginning of time." - Dr. Hak Ja Han Moon

Thanks to donors like you, over 9,500 women of different backgrounds have been educated and empowered to use their talents to Lead with Heart and create a more peaceful world, one global family.

Through leadership retreats, seminars, service projects and many more

local and national programs, women are gaining the tools they need to take action and build genuine, sustainable peace in their families and communities.

Help Women's Federation for World Peace to Embrace the World and promote the vision of Leadership of the Heart!

This season of giving, our goal is to raise \$15,000 by December 31st. Your support will keep WFWP strong in 2020! Together we can continue to empower women with knowledge, skills, and a supportive community to discover their unique value and create lasting peace.

Comments from WFWP program participants:

"I am looking forward to this happening growing bigger worldwide. It was fun and brought much happiness to everyone."

"I [am] inspired as a woman. I can't give up. I am a builder of peace that starts with me, my family, and society."
