

## Why Did Father Teach Against Pyramidal Top-Down Leadership?

My Father (True Father) emphasized the importance of taking responsibility for our own spiritual growth, as he had accomplished so much for God and humankind without any support from Christianity or bank account of money. In his love for us, he naturally wanted for us to understand that we too are messiahs, grounded in each person being God's BELOVED child. He further taught that we should pray in our own names. And that we could be messiahs for nations, hometowns and our own families. That is a wide disbursement of central messianic power.

But Father's teachings about dissolving the Pyramid of Power were disowned by the top Korean leaders in Seoul. They brushed Father's words aside. They worked to make the Pyramid of Power and Money even stronger, expelling leaders who inspired us like H1 [Hyun Jin Moon] and H2 [Hyung Jin Moon]. Be aware that our True Mother only knows what is happening in our Unification Movement from the embellished reports of leaders who surround her.

The Korean leadership group caused disunity in True Family and a lack of progress for the Unified Family. I am an alumnus of the pyramid and reclaim my identity as True Father's adopted blessed child, the same as yours. He gave me the awareness to know I am the beloved child of God. We are immersed in God's love; which flows through us in the air we breathe. We are all swimming in the same sea of True Love, surrounded by the PRESENCE which Father Moon opened our hearts to; the very air we breathe is God's healing love, in and out, in and out, God's love courses through our lifeblood.

Mother's group, H1 group, and H2 group: it is an illusion to think of them as separate -- short-term illusions without staying power. Wake up little fishes. Swim where you want but we are all swimming in the same universal pond. Only the Unified Family was in God's mind. (I believe the divine Logos, once spoken, must and will be fulfilled.) Cheon-il Guk means 2 become 1. It is not complicated. One Unified Family of God's Beloved Children. Who are the Beloved? Everyone. "Two become One" is governed by God's love, through each person's 'original mind'; without any "leader" acting politically to divide us. As individuals, couples, and families, we bring God's love into the world.

Do you remember when you joined to help True Parents? How attractive was our Love? That is what I am talking about.
