TOWARD PEACEFUL REUNIFICATION OF THE KOREAN PENINSULA  
February 1-3, 2022, Virtual Conference

As a central component of World Summit 2022, a series of Think Tank 2022 Forums will be convened in advance of the Summit, and feature each of the UPF Associations. These sessions will highlight leading experts who will reflect on and offer recommendations for a path forward toward reconciliation and peace on the Korean Peninsula.

Think Tank 2022 convenes the best minds among world leaders and influencers to examine problems and solutions openly and in good faith.

The Regional Forums will take place from **February 1-3, 2022** and will cover topics from a wide variety of sectors from society such as diplomacy, business, media, academia, faith, and arts and culture.

Sessions will feature prestigious leaders from around the world including: the United States, Canada, Latin America, Central America, South America, Europe, the Middle East and Africa.
