HJI President **Dr. Thomas Walsh** will host Universal Peace Federation USA

***Wrongful Imprisonment of Sun Myung Moon: Religious Freedom and the Support of the Clergy."***

Dr. Jenkins has years of experience working with clergy and a wide variety of leaders from government and civil society. In addition, he has been actively engaged, not only during the time of Rev. Moon's trial in the 1980's but throughout decades of disparagement and bigotry toward minority religions. Dr. Walsh and Dr. Jenkins will highlight the importance of religious freedom activism, and especially the role of religious leaders in combating religious intolerance and discrimination. We look forward to your participation in this important HJI program.
