**FFWPU India, May 3, 2015, New Delhi, India:** Uniting with the heavenly directions of True Parents for the fulfillment of vision 2020, Dr. Chung Sik Yong, Asia Continental Director and CIG Special Envoy to India has been leading Indian providence with a lot of jungsung and dedications. Following the 35 places (28 States & 7 Union Territory) holy ground establishment, Dr. Yong circled whole India by organizing the Peace Leadership Conference in all states and union territories. After the completion of this grand venture in Indian providence, we are at the juncture of bringing new heavenly revolution in Indian providence. At this critical juncture of Heavenly Parents providence, we want to raise and prepare India to become the strong allies toward the fulfillment of vision 2020 as given by our beloved True Parents. What can be the weapon for heavenly revolution other than the Heavenly Tribal Messiahship activities? This is the eternal responsibility given to all of us by our beloved True Parents which even Tre Father reemphasized in his last prayer before ascension.

Realizing this heavenly mandate given to us by our True Parents and through the great inspirational support and leadership of Dr, Chung Sik Yong, Asia Continental Director and CIG Special Envoy to India, the FFWPU & UPF India commenced its Tribal Messiah revolution in India on 3rd May, 2015. In spite of our many shortcomings and limitations all our Indian members together with 33 students from the International Peace Leadership College of Philippines worked very hard for mobilization and preparation of this Tribal Blessing Ceremony, which was named under the family of National leaders couple Rev.

Krishna Adhikari and Mrs. Chatra Subba. This was planned at one of the village of South District of Delhi State. This blessing ceremony was named as the Interfaith Family Peace Blessing Festival organized on the occasion of the United Nations International Day of Families 2015.

As per our plan we were expecting around 500 people (200 couple and 100 husbands or wives) but at the end total of more than 600 people (250 couples and more than 100 husbands or wives) attended the blessings. The officiator, representative of True Parents for this blessing ceremony was Dr. & Mrs. Chung Sik Yong. To give the blessings to all the gathered couple, very high level interfaith religious leaders of six major faiths were invited. All of the religious leaders prayed and expressed their solidarity for such noble effort carried forth by the founder of UPF & FFWPU.

At the ceremony, the congratulatory address were delivered by Hon. Ek Nath Dhakal, Former Minister of Nepal and CIG Special Envoy to Nepal, Dr. Lek Thaveetarmsakul, CIG Special Envoy to Thailand and Ambassador Ashok Sajjanhar, Former Indian Diplomat and Secretary of National Foundation for Communal Harmony, Government of India.
