Like Jesus teaching was called "The Way"  
So "the Principle" is eternal divine spiritual  
Truths and Laws ("the Way") that can set man  
free from **Original Sin** and become  
the **Divine Physical/Spiritual** being intended  
at the beginning of Creation.

The goal of all humans Physical & Spiritual life!

Man fell by the false word of satan, a fallen angel.

Man will be restored to holyness again by beleiveng in the true word of God and Power of Messiah.

Similar process – opposite direction by FAITH!

## ***Bible Verses About Sins of Omission and Commission***

**James 4:17** - Therefore to him that knoweth to do good, and doeth [it] not, to him it is sin.

**Luke 13:3** - I tell you, Nay: but, except ye repent, ye shall all likewise perish.

**1 John 3:4** - Whosoever committeth sin transgresseth also the law: for sin is the transgression of the law.

Why did restoration through indemnity come about?  
For what purpose did it appear after the Fall occurred?

If there were no portion of responsibility, then there would be no need for the term "restoration through indemnity."

In what position did human beings fall?

They fell during the course of fulfilling their portion of responsibility.

At that time, human beings handed over the realm of the portion of responsibility to Satan.

**It was taken by Satan.**

Therefore, we must regain the realm of the portion of responsibility. 1986.3.16 CSG Book 8 5:1

DIVINE  
PRINCIPLE

Because John the Baptist gradually came to doubt Jesus and finally even undermined his work, the Jewish people, who had the highest esteem for John, were compelled to disbelieve in Jesus. [189\(cf. Messiah 2.2\)](#)

Consequently, the foundation of faith which John had laid for the first worldwide course to restore Canaan was invaded by Satan.

DIVINE  
PRINCIPLE

Jesus himself now had to take on John's mission and restore through indemnity the foundation of faith

(40 day fasting)

in order to set out on the second worldwide course to restore Canaan.

When Jesus fasted for forty days in the wilderness, it was to separate Satan for the very purpose of restoring the foundation of faith; however, for this he lowered himself to assume the position of John the Baptist.

John the Baptist = returning Elijah

Still John denied it = Sin of Omission

DIVINE  
PRINCIPLE

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

/First sentens in Divine Principle

1. First, there is no freedom outside the Principle.  
Freedom requires both free will and the free actions  
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

3. Third, there is no freedom without accomplishment. When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

In the Creation of the Universe and the Providence of Restoration**

(the Ideal of Creation) is Realized Perfectly

The World Where  
Restoration is Complete

No matter how broad the Christian cultural realm becomes, a perfected Adam who can manifest the true love of God must appear together with the bride.

Thus, you must fulfill your portion of responsibility and enter the realm of direct dominion.

You must prepare a foundation of true love in your family that can unite upper and lower, front and back, and left and right with love at the center.

**Is this an easy thing to do?**

/SMM1991.10.15

**"Then the Lord saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was evil continually.**

**And the Lord was sorry that He created man on the earth and He was grieved in His heart."**

SATAN WITH ADAM AND EVE (BOOK IV)

*Ah! gentle pair, ye little think how nigh  
Your change approaches*

Blake

The first human ancestors destroyed this, the very thing that they should have perfected; as a result, the whole of humanity still has to fulfill its given responsibility.

To do so, everyone gains dominion over everything in the satanic world, stands in a position to dominate Satan, and reaches the position where they can receive the love of God with dignity.

When that happens, Satan will be cut off. /SMM1986.3.16

Billy Graham:  
As Christians we have 3 enemies

- The World – Fallen evil traditions
- The Devil – Fallen Archangel, Fallen Nature
- The Flesh – Original Sin

There are two deaths:

- One Physical
- One Spiritual

Mankind is walking the “death” that Adam and Eve experienced AFTER dying the death promised by God if Falling.

Dead in Spirit, being controlled by wicked forces:

We fight “not against flesh and blood but against principalities and power, against the rulers of the world of this darkness, against the spirits of wickedness” (Eph 6:12). /St. Paul

One of Satan’s greatest assets is his camouflage, the belief that he doesn’t exist.

John 11:49,50: And one of them, named Caiaphas, being the high priest that same year, said unto them, You know nothing at all, Nor consider that it is expedient for us, that one man should die for the people, and that the whole nation perish not.

Quote SMM (SunMyungMoon) 1965:

There was no evil in the beginning.  
Lucifer acted against the Principle.  
That became evil.

Evil is not something entirely different from love.  
Evil is the misuse of love.

Good is the right and proper use of love.

Good and evil started from one point -- love.

If we love God, that is all right.

But if we love something or someone against God's will,  
that is evil.

If we love someone or something in accordance with  
God's will, that is good.

## ***The Influence of Good and Evil Spirits*** (Essentials Of The Unification Principle)

The struggle between the original mind and the evil mind is greatly exacerbated by the intervention of spirit men and women in the affairs of people on earth.

Good spirits, that is those close to God, have a beneficial influence on the spirits of men and women on earth.

However, evil spirits, who are close to Satan in character and direction, have a bad influence on the spirits of people on earth.

## ***The Influence of Good and Evil Spirits***

Because of the dislocation of spirit and body brought about by the fall, fallen individuals are generally unaware of the influence of good and evil spirits in their lives.

They tend to attribute fallen spiritual influences to their own moods, sentiments and inspirations.

Whenever the spirit of a fallen man or woman unites with the thoughts or activities of evil spirits he or she multiplies the power of Satan and evil in the world.

The “**evil eye**” is a malevolent look that many cultures believe able to cause injury or misfortune for the person at whom it is directed for reasons of envy or dislike.

A nazar (Turkish: nazar boncugu Old Turkic: gökçe munçuk) is an eye-shaped amulet believed to protect against the evil eye ("evil eye", from nazar and "amulet" from boncugu). The word "nazar" is derived from the Arabic, "sight" or "seeing".

Divine Principle  
in Plain Language  
by Jon Quinn

There is ample evidence today that the root of evil, the Fall, was an immoral sexual relationship.

God created the sexual act of love as the most precious, holy and exciting expression of love in our lives.

Yet throughout history the act of love has often been regarded as lowly and made a joke of.

# ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate (live single).

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

Comment:

How we can see that the Root of Human Fall  
is Spiritual:

Bible:

“But of the tree of the knowledge of good and evil,  
you shall not eat of it: for in the day that you eat  
thereof you shall surely die.” /Gen. 2:17

What did Adam lose?

First, he lost faith, and then he lost substance,  
and lastly he lost love.

*On a different night when I was in bed, a snake as thick as a pillar appeared and after reaching my ankle it started climbing up my leg. It flicked a spatula shaped tongue and when it tried to bite my face, I grabbed its upper and lower jaws trying to rip its jaws apart. I looked down the cave-like innards of the snake.*

*At that point I awoke to find my blankets all wet. '*

*Two months after the episode, on Febr 2, 1962, the Reverend Sun Myung Moon came to Daegu on a tour. He spoke for six hours.*

*He said,*

*"To know what was in the mind of the snake when he tempted Eve six thousand years ago, **grab the upper and lower jaws of the snake and shout, 'Snake! Let's have a look at your innards,'**" and unless you can see everything that is inside the snake, you cannot know the snake's mind."*

*I once again felt that Father knew all the secrets of heaven.*

HakJaHan Moon 2012:

God's providence never develops without going through indemnity.

Those who studied the Divine Principle know it well.

'Indemnity' does not necessarily means something bad.  
It could give you a promise for the future.

Rev. Moon has unfolded God's providence on earth during this really difficult time.

Let's think of the Israelite from 2,000 years ago.

It was the Messiah that they, under Roman dominion, were waiting for with the pride that they were chosen people.

They believed that once the Messiah came, they would be liberated from everything and stand out in the world. However, providential history does not develop in such a fancy way.

They did not know 'indemnity.'

Consequently, they killed the only begotten-son of God. Then what happened to the Israelite?

They became a people who were exiled for 2,000 years.

/endquote

Paying Indemnity is like paddling upstream  
the river of Sin.

Once you stop paddling (= stop paying indemnity)  
and the “stream” will take you backwards.

People take-up the word "blessing" so easily, but they forget that behind this blessing is a great journey of suffering and hardship.

Borysenko, the author of 13 books, states that the gap between what we know and how that translates into taking care of our health has its origin in our sorry emotional state.

The three most predominant emotions which have a large impact on both our physiology and health are depression, anxiety, and chronic anger.”

## Faith and Reality: Sun Myung Moon

Unhappiness, depression and despair will be produced whenever we fail to maintain the proper relationship with our object. (God)

In order for us to continue living it is absolutely necessary to have a continuous and positive objective stimulus.

All the elements of success and failure develop around this relationship.

## Faith and Reality: Sun Myung Moon

Up to now Satan and his following have been the dominating forces on earth.

Now we must establish the sovereignty of good.

New generations, a New age, a New civilization will be created, and very soon we will have the Kingdom of God on Earth.

In the past, ideological systems ended up with only ideals. But now our belief system will bear fruit in actual reality.

## Depressed World:

Economic depression, environmental pollution, political irregularity, racial and religious strife, the decay of ethics and morality, the collapse of the sense of values: is there anyone who can fundamentally solve these many evils and problems?

It has not been possible through human wisdom or effort.

We have not been able to find a solution to these problems by mobilizing economic power or governmental power;  
rather, the evils of humankind are gradually becoming worse.

Depression:

***Voice of heaven***

Now humanity has to humbly listen to the voice of heaven and find the road of resolution directed by God.

This country and its people must accept my teachings.

This is not because I am trying to raise myself up, but because it is the will of God.

God has revealed the principles of heaven through me, and He has given me the answers to the fundamental problems of humankind.

By having  
unchangeable faith,  
a united mind and body,  
and being with God,  
we can establish the Kingdom of Heaven.

If these standards are changed,  
then Satan comes in.

Satan has changeable, unstable elements.  
When our faith waivers, he tempts us with his  
changeable nature. (Root of depression)

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation,  
the Kingdom of Heaven can begin.

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation, the Kingdom of Heaven can begin.

Through the multiplication of this basic family of goodness, a tribe, society, nation and world of goodness can come about.

We must not only talk about the Kingdom of Heaven; we must establish it.

## 2. The Gnostic Christian Account:

"Then the [divine] authorities [i.e., Elohim]. . . sent seven [fallen] archangels to see what happened. They came to Adam. When they saw Eve speaking with him, they said to one another . . . 'let us seize her and let us cast our seed on her, so that . . . those whom she begets will serve us.' [Eve] conceived . . . and she bore the rest of the sons from the seven . . . angels." (On the Origins of the World, II:5)

### **3. The Islamic Account:**

Allah's Apostle said, "Tonight two (visitors) came to me (in my dream) and took me to a town built with gold bricks and silver bricks. There we met men who, half of their bodies, look like the most-handsome human beings you have ever seen, and the other half, the ugliest human beings you have ever seen. Those two visitors said to those men, 'Go and dip yourselves in that river.

### **3. The Islamic Account:**

So they dipped themselves therein and then came to us, their ugliness having disappeared and they were in the most-handsome shape. The visitors said, 'The first is the Garden of Eden and that is your dwelling place.' Then they added, 'As for those people who were half ugly and half handsome, they were those who mixed good deeds and bad deeds, but Allah forgave them.' (Sahih Bukhari Hadith: Volume 6, Book 60, Number 196)

#### 4. The Rev. Moon Unificationism Account:

"Lucifer dared to seduce Eve at the risk of his life . . .  
and [they] had sexual intercourse with each other. . .

Eve joined with Adam after she had the illicit relationship  
with the archangel [Satan] . . .

and [Satan's and Adam's] elements were then transmitted  
to their descendants . . .

and mankind has multiplied sin to the present day,  
thus perpetuating the lineage of Satan."

(Divine Principle I.2.2.2)

Thus, we see virtually the same mixed-paternal parentage  
attributed to Cain and Abel in all four scriptural accounts.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

They are actually **too inward for anyone in a lower sphere to understand**. They relate to uses of those organs that are deeply hidden and far removed from knowledge. The reason is providential—to prevent things that are intrin-sically most heavenly from damage by foul thoughts, which involve lewdness, promiscuity, and adultery.

/Emanuel Swedenborg, *Arcana Coelestia*

- Sex is not same as evil.
- Within Blessed Marriage it is the Holy of Holiest
- Most people have unconscious bad feeling about “sex” as dirty and low.
- This is all due to Fall of Man = Illicit Love
- Sex became animalistic and often brutal
- Abuse of wimen, Rape, Agressiveness, Hate, Murder...all have the same root
- “Free Sex” root = Fall of Man = Illicit Love

All across America we hear of babies being dumped in trash cans, schoolchildren shooting their classmates, and AIDS and other sexually transmitted diseases running rampant.

Among the seven sins in Dante's *The Divine Comedy*, this "scarlet sin" is said to be the worst.

God considers adulterous love to be the most serious of all sins, and He will never condone it.

*Come now, and let us reason together, says the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. Isaiah 1:18*

Perfection was the ideal, and perfection was mans goal from the beginning, but man choose himself to loose that perfection, and she must now choose to return to it. If you make a wrong start, you will end up in the wrong place. That is why when a ship sets out into the great ocean, it should chart out the course and follow the compass carefully from the moment it first sets sail from port.

Then, what is the port of departure for human life? People do not know. Where can we find the direction, the compass guiding us to reach our destination in the world beyond?

Human beings have not been able to find this, so they have been wandering about to and fro. No matter how they have tried, they have not been able to overcome their human limitations. /SMM 1988.1.3

When man sins, an alien spirit enters and starts dragging its victim downward.

For this reason, in his ministry of exorcism, Jesus always distinguished between the possessing demons and the persons harboring them.

Satan holds people captive against their will, even if originally they were responsible for inviting the demons in.

Therefore Jesus' mission was two-fold:  
to battle against Satan (Prosecutor) and  
to fight for man (Defense attorney/Defender).

# Old Test. Offering

Abraham  
Isaak

The significance of making the offering is to cut the parts in two, so that one is under God's claim and the other under Satan's claim.

In that case both the offering and the man who offered the sacrifice must become entirely one.

The man who offers the sacrifice is in the subjective position, while the offering is in the objective position!

Without these two united into one,  
the purpose of the offering cannot be attained.  
The offering being in the objective position to man as  
the subject, it can represent the person's flesh-body.  
The thing being offered (i.e., the animal) has to shed  
blood in place of sinful man.

In other words, the offering is in place of man -- representing man.

Disbelief was the primary reason.

Next, Adam fell because he asserted himself.

## Jesus miracles

”Father said Jesus was put on the cross because he showed spiritual miracles.”

p.414 A Testimony to Gods Word by Gil Ja Sa Eu

Jesus accomplished healing by chasing out evil spirits or demons.

Jesus' great spiritual force caused the evil spirit to depart and this allowed the victim to immediately become normal. The evil influencing factor had been removed.

Reverend Moon Speaks on Satan, the Fall, and Evil Undated

As he walked the course of restoration, Jesus did not delight in performing miracles. These miracles took place when Jesus shouted out in excruciating sadness.

The Incarnation of Jesus, a Pioneer February 1, 1959

When Jesus saw that the people were not likely to receive him by the words of God alone, he began to perform mighty works. He hoped that people could recognize him through his miracles.

## **The Root of Sin**

This explanation of the human Fall will clarify these issues.

# 1.5 The Root of Sin

**First human  
ancestors**

**Angel**

**Illicit sexual relationship**

The root of sin is that the first human ancestors had an illicit sexual relationship with an angel symbolized by a serpent (p. 61).

# **Section 2**

## **The Motivation**

### **and Process of the Fall**

God created the angelic world and assigned Lucifer<sup>(Isa. 14:12 [KJV](#))</sup> to the position of archangel. Lucifer was the channel of God's love to the angelic world, just as Abraham was the channel of God's blessing to the Israelites.

In this position he virtually monopolized the love of God. However, after God created human beings as His children, He loved them many times more than He had ever loved Lucifer, whom He had created as His servant.

|

When Lucifer saw that God loved Adam and Eve more than him, he felt as if there had been a decrease in the love he received from God.

Comment: Look at a baby. If it sees its mother embracing any other child, it wants to push that child away!

## 2.2 The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

## 2.2.1 The Spiritual Fall

Eve responded and formed a common base with Lucifer, the Archangel, and they began give and take action with each other, which brought them together in an illicit spiritual relationship of sexual love.

## 2.2.2 The Physical Fall

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

**Mathew 8:18** Verily I say unto you,  
Whatsoever ye shall bind on earth (with your physical body)  
shall be bound in heaven (life in spirit world):  
and whatsoever ye shall loose on earth (remove all evil)  
shall be loosed in heaven.

**Mathew 5:48** Be ye therefore **perfect**, even as **your**  
Father which is in heaven is **perfect**. (without any Sin)

Emanuel Swedenborg made the unique discovery that we each have *three* kinds or levels of blood—the red blood, the middle blood or Animal Spirit, and a higher blood fashioned from the human Soul.

The red blood maintains and grows a person's *physical body*, but the other two—from their purification—build and maintain a person's spiritual body, which houses the soul after death.

Sun Myung Moon: "Your body inherited **Satan's blood** lineage through his love.

**Satan's blood has controlled you by the realm of power in order to trample upon your personality.**"

**Summary:** **The Fall of Humankind** is the story in the Bible of how sin and evil came into the world.

It was an event which was not simply the eating of a literal fruit, but was rather

the disobedience of Adam and Eve of God's commandment not to partake of sexual love until they were mature and could be

blessed by God in Holy Matrimony. (2<sup>nd</sup> Bible Blessing)

The Fruit of the Tree of the Knowledge of Good and Evil was Eve's Sexual Organ

Covering their sexual parts was an indication of sin

We do not know whether Eve picked and ate the fruit of the tree of the knowledge of good and evil or whether she ate an apple.

In order to do so, she would have had to first see it with her eyes, then move her hands to pick it, and finally eat it with her mouth.

Adam and Eve ought to have covered their eyes, hid their hands and covered their mouths;

yet they actually covered their sexual parts.

That is the problem. (54-62, 1972.3.11)

(Explanation of the Divine Principle)

## **The Works of Good Spirits and Evil Spirits**

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health.

The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate.

It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will recognize the nature of the spirits by the fruits they bear.

THIRTY YEARS  
Among the Dead

The change called “death,” - the word is a misnomer – universally regarded with gloomy fear, occurs so naturally and simply that the greater number, after passing out of the physical are not aware that the transition has been made, and having no knowledge of a spiritual life

they are totally unconscious of having passed into another state of being.

THIRTY YEARS  
Among the Dead

Deprived of their physical sense organs,  
they are shut out from the physical light,  
and lacking, a mental perception of the high purpose of  
existence,

these individuals are spiritually blind and find  
themselves in a twilight condition - the “outer darkness”  
mentioned in the Bible –  
and linger in the realm known as the Earth Sphere.

THIRTY YEARS  
Among the Dead

Humanity is surrounded by the thought influence of millions of discarnate beings, who have not yet arrived at a full realization of life's higher purposes. A recognition of this fact accounts for a great portion of unbidden thoughts, emotions, strange forebodings, gloomy moods, irritabilities, unreasonable impulses, irrational outbursts of temper, uncontrollable infatuations and countless other mental vagaries.

While most doctors agree that our emotional state affects our physical health, few would give credence to "spiritual influences".

1998

Dr. Modi discovered that during hypnotic therapy **many patients claimed to have 'entities' attached to them, living in their energy fields and affecting their behavior.**

This book demonstrates the technique which she developed to "clear" these energy fields.

## My Revelation

I (Bengt) had one night 03 AM  
about the Messiah and the 4 Sins

- As there are 4 Sins, so there are 4 Indemnities to be paid
- **The Original Sin**  
Only the Messiah has the Spiritual purity  
to pay off this Indemnity, be personal  
Sinless suffering for Mankind.

- Collective, Ancestral and Personal Sin.
- The other 3 Sins must be paid  
by Mankind, since the Indemnity  
amounted would physically risk  
the life of the Messiah.

A Balanced Personality

# Un-balanced Personality

The five personality distortions are as follows:

- **Schizoid** - Birth
- **Oral** - Infancy
- **Psychopath** - Early childhood
- **Masochist** - Time of potty training
- **Rigid** - Inner being is being threatened

The schizoid develop when trauma is present in the womb, at birth, or short thereafter.

The oral develops when the child feels in some abandoned during the infancy stage of total dependence.

Psychopath emerges when a real or perceived experience betrayal in early childhood is present.

The masochist appear about the time of potty training, when the development dependence and independence overlap, but are stagnated.

Last; the rigid develops when the child becomes aware that his or her inner being is being threatened.

In reality, people are generally a combination of different personality distortions.

# Fallen Nature manifested as

**① Selfishness**

I know that Western culture is characterized by individualism.  
However, **selfish individualism is doomed.**  
Sacrificial individualism will blossom.

Individuality in itself is good.  
God gave each one of us a unique way to serve.  
**But individualism without God can only build castles on  
the sands.**

## Is there a fifth fallen nature?

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled "A Period of Great Transition in History."

In that presentation he clarified the existence of a fifth fallen nature, "shifting the blame."

# The Primary Characteristics of the Fallen Nature

Lucifer alienated from God, and got Eve and Adam to do the same.

The Shakers were founded in England in 1770 by Ann Lee. The Shaking Quakers were said to "shake" because they danced and spoke in tongues.

**Ann Lee**

in **Christ's Second Appearing**, or Shakers.

Convinced (Spirit World inspired)  
that sin had begun with Adam and Eve's sex

Ann Lee insisted that sexual relations were the root of all sin.

Men and women would achieve salvation only by  
overcoming this fleshly desire.

**Arnold Toynbee (1889-1975) observed that of the twenty-one most notable civilizations in history, nineteen of them perished not by external invaders but due to a collapse of internal moral standards.**

**Gonzalez also points to two other interesting studies. Through studying 80 civilizations over a period of 4000 years, Cambridge University historian J.D. Unwin noted that those civilizations that accommodated sexual promiscuity declined and collapsed.**

The Cross  
/Kahlil Gibran

The play Romeo and Juliet arguably equates love and sex with death.

Throughout the story, both Romeo and Juliet, along with the other characters, fantasise about it as a dark being, often equating it with a lover.

Capulet, for example, when he first discovers Juliet's (faked) death, describes it as having deflowered his daughter.

Juliet later erotically compares Romeo and death. Right before her suicide she grabs Romeo's dagger, saying "O happy dagger! This is thy sheath. There rust, and let me die."

So it is that the human race, which has broken its original relationship to God, must restore the foundations on which to build a new relationship.

Answer: During the time when children are growing, they do not know love.

These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves.

In Adam and Eve's case, they had nothing to see. They did not know about sexual love.

As long as they didn't know anything about it, God could not teach them. God had to wait until they matured and knew something about it before they could come under His Direct Dominion.

Until that time, God could not tell them, "Don't do this.  
Don't have a sexual relationship with Lucifer".

Until that time, God could not tell them, "Don't do this. Don't have a sexual relationship with Lucifer".

Through natural growth and development, they would have matured and learned to know of love.

# *Introduction to restoration*

- The providence of restoration refers to God's work to restore the fallen people to their original, unfallen state so that they may fulfill the purpose of creation.

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

## The restoration and perfection of fallen people

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.
- To be restored, we, fallen people:
  - ① First need to go through a course to separate Satan from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the top of the growth stage.

## The restoration and perfection of fallen people

② On this foundation, we are to receive the Messiah and be reborn, remove our original sin, and thereby be fully restored to the original state of human beings before the Fall.

③ Finally, by following the Messiah, we should continue our growth to maturity,

④ Where we can fulfill the purpose of creation.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

**Relate only with God**

- If the first human ancestors had reached perfection, they would have lived relating only with God.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

- However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.
- A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

## Establishing indemnity conditions

## Comparing indemnity conditions

- When someone has lost his original position or state, he must make some condition to be restored to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

## Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the method, an indemnity condition is made by reversing the course through which the original state was lost.
- It is we ourselves who must fulfill the necessary indemnity conditions as our portion of responsibility.

# **The foundation for the Messiah**

## **How Adam failed to achieve the purpose of creation**

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.
- Second, Adam should have established the foundation of substance: after establishing an unshakable foundation of faith, he was then to become one with God, thereby becoming a perfect incarnation of the Word and attaining individual perfection.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

**X** Purpose of creation realized

- However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

||

Foundation  
of  
substance

+

Foundation  
of  
faith

- Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the foundation of faith and foundation of substance and thereby the foundation for the Messiah.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

- In order to restore the foundation of faith, first there must be a central figure. Second, a condition must be offered. Third, a numerical period of indemnity must be completed.
- In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.

That is why the path of salvation which Unification Thought is teaching is not individual salvation.

O.T.= Offering – Symbolic salvation

N.T.= Individual Salvation

C.T.= Family Salvation

If the family is not saved then nothing can be saved.

It is the salvation of couples and children.

If we are not able to save our children then we must wait in the spiritual world.

Thus in the spirit world the educational law is established.

Everyone must go to the spirit world in a single line.  
Do you understand?

In the spirit world there is an educational system,  
and all the things which were not able to be accomplished  
on the earth are educated and everyone  
must cross (pass?) over together.

We believe for the sake of family salvation.

Do you understand? [Yes.]

Have you considered that doing the will of God, aligning yourself to the Principle, and living the Principle with True Parents as the standard, is also indemnity?...

...Be careful in this: indemnity cannot be accepted if you attempt to pay it without the right attitude.

There is often a fine line separating the two; make sure you cross the boundary line and give your offering to God rather than Satan.

The works of re-creation follow the course of re-storage through indemnity; indemnity is carried out through the works of re-creation.

Therefore, re-creation can only come about when you invest yourself (100%).

For this reason, it is a reasonable conclusion to say that sacrifice is inevitable.

These are the footholds of Satan.

Even though Jesus was born as **the original son of God**, he still needed to go the way of indemnity in order to save this world.

Once that is done, we must fulfill the remaining 5 percent.  
How difficult that is!...

If the Fall had not occurred, Heaven would have done 95 percent and we would only have to do five percent.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Only after indemnity can restoration take place; then we can go the path of perfection.

Thus, you can consider that indemnity and restoration are one.

Thus, you can consider that indemnity and restoration are one.

Perfection cannot be attained automatically; it is attained through indemnity.

Therefore, human beings living in the fallen world cannot reach completions (perfection) unless they set up conditions of indemnity.

III. Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room. # Freedom and the Human Fall

## The Meaning of Freedom from the Viewpoint of the Principle

1. First, there is no freedom outside the Principle.  
Freedom requires both free will and the free actions  
pursuant to that will

## Freedom and the Human Fall

### The Meaning of Freedom from the Viewpoint of the Principle

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

## Freedom and the Human Fall

### The Meaning of Freedom from the Viewpoint of the Principle

3. Third, there is no freedom without accomplishment.  
When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

## Freedom from the portion of responsibility in relation to restoration

If Adam and Eve had fulfilled their portion of responsibility their descendants would not have been burdened with the responsibility for restoration.

They would have entered into an era of family ethics that would have been like sovereign law.

Until today, although God could move through 360 degrees on that same level plane, He could not teach us directly and we have been waiting for the emergence of a central figure (3<sup>rd</sup> Adam). That is why difficulties arose.

(136-316, 1985.12.29)

True Parents had to pass through an indemnity course on the level of the individual, family, tribe, people, nation, world and cosmos.

Love is restored by separating from Satan and by fulfilling man's portion of responsibility that was lost because of him.

Satan cannot invade those who love their enemies and love their enemies' countries.

Comparison Jesus Life & Death  
and  
The Life & Death of Sun Myung Moon

- Jesus Death and Resurrection

- True Fathers 7 Close Deaths and Resurrections

As a Messiah, to accomplish resurrection is an extremely meaningful accomplishment.

We were created by God but then,  
because of the Fall, we fell away from God.  
So for us, returning back to God's direct dominion  
that is resurrection.

Jesus came in order to recreate mankind back into the state of being in God's direct dominion.

But Jesus was not able to accomplish that completely because he went the way of the cross.

He did manage to accomplish the spiritual resurrection but the physical body remained in the realm of Satan.

So Jesus died once, was resurrected once, spiritually.

And forty days after, he reappeared to mankind and was able to establish a very huge Christian church foundation based on that one resurrection.

True Parents have **faced death seven times** and been resurrected seven times, not only spiritually, but spiritually and physically.

This means that True Parents have an extremely huge gift to give to mankind because of the victory of those resurrections.

That's the grace of the seven deaths and resurrections.

True Parents have also discussed that we need to go through eight stages of horizontal [resurrection].

We have to accomplish victories at the individual, family, tribal, race, nation, world, cosmic levels.

1. The first resurrection was in the prison at Gyeonggi do.  
Father was imprisoned in October 1944.  
He was imprisoned for about 4 months until February 1945.
2. The second death and resurrection was at the Jeongju police station in North Korea. He was imprisoned for about a week during October of 1945.
3. The third time Father was imprisoned was by the internal security forces in 1946.

4. Hungnam death camp 1948-1950  
*Father was able to witness and gain 12 disciples,  
12 people who devoted themselves to Father at the risk  
of their own lives. /WonPihlKim*  
Korean War 1950-53, to Liberate True Father.
5. After Hungnam, Father was imprisoned again in  
Seodaemun prison in 1955.
6. The sixth resurrection was when Father was held in  
Danbury from July 20, 1984 until July 4 1985.
7. The seventh resurrection was 2008  
the “helicopter accident”.

If we compare Jesus' resurrection and Father's resurrection,  
True Parents were substantially resurrected.

Jesus shed blood on the cross.

True Parents were resurrected without shedding blood.

Jesus died alone and had to go and re-gather his disciples  
when he was in spiritual form.

True Parents were not alone.

They had their followers with them in the helicopter and their followers saved them.

Jesus had to witness to himself as the Messiah after his resurrection.

But there were many, many people to witness to True Parents as the Messiah. They did not have to do it themselves.

Imagine now, True Parents have been resurrected seven times,  
physically and spiritually.

So at this time, we need to believe in True Parents and  
lead a clean and holy life.

We need to become one with True Parents.

We need to live for others.

We have to throw away all our old habits and become a model family following True Parents.

We are the people who should be following those eight stages of resurrection.

We need to clean ourselves internally and join with True Parents.

We are the people who should be following those seven stages of resurrection.

We need to clean ourselves internally and join with True Parents.

# The Decline of Violence

# The Decline of Violence

*What led you to write a book on violence?*

As I explain in the Preface, it was an interest in human nature and its moral and political implications, carried over from my earlier books.

In *How the Mind Works* (518–519) and *The Blank Slate* (166–169, 320, 330–336), I presented several kinds of evidence that violence had declined over time.

Then in 2007, through a quirky chain of events, I was contacted by scholars in a number of fields who informed me there was far more evidence for a decline in violence than I had realized.

# William Branham

**William Branham USA** had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was **commissioned by an angel from God to be the forerunner of the Second Coming of Christ.**

(1909-1965)

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

*“What did he do? **He begin making love to Eve.***

***And he lived with her as a husband.***

*And she saw it was pleasant, so she went and told her husband; but **she was already pregnant by Satan.***

*And she brought forth her first son whose name was Cain, the son of Satan.*

My comment: In June 1946 TF went to Pyong Yang to search for the prepared Spir. groups.

Seams like that Heavenly mission "spilled over" to US.

"*Genesis* is deeply symbolic, and cannot be grasped by a literal interpretation," he explained. "Its 'tree of life' is the human body."

The spinal cord is like an upturned tree, with man's hair as its roots, and afferent (ingoing) and efferent (outgoing) nerves as branches.

The tree of the nervous system bears many enjoyable fruits, or sensations of sight, sound, smell, taste, and touch. In these, man may rightfully indulge; but he was forbidden the experience of sex, the 'apple' at the center of the bodily garden.

"The 'serpent' represents the coiled-up spinal energy which stimulates the sex nerves.

'Adam' is reason, and 'Eve' is feeling.

When the emotion or Eve-consciousness in any human being is overpowered by the sex impulse, his reason or Adam also succumbs (collapses).

Comment: "The interpretation of the text, which understood it to refer to a miscegenation between fallen angels and w o m e n , was given additional emphasis by a variant reading of the text of the Septuagint Greek translation of the Old Testament in verses 2 and 4.

Instead of reading "hoi huoi tou Theou" this variant gave "fioi angeloι tou Theou" - that is, it was directly stated in this variant that it was "the angels of God" w h o went in to the daughters of men.

This variant reading was for long the most widely accepted in the early Church.

The Apologists of the second century found no difficulty in accepting the notion of commerce between angelic spirits and women.

For example St, Justin Martyr dearly knows the text of the Book of Enoch and the Book of jubilees, and explains that the offspring of this unnatural union were the demons who tempt and prey upon men (Apologia II.5).

The same tradition is continued by Athenagoras, Irenaeus, and Clement of Alexandria, who held that although the angels took part of the spiritual world, they were capable of being attracted to a lower beauty.

Likewise Tertullian calls these fallen angels "desertores Dei, amatores feminarum", and uses this example to warn women against cosmetics and bewitching finery.

Julius Africanus took the "daughters of men" to be the "daughters of the race of Cain".

The Clementine apocrypha of the third century explained that after falling from their high estate into an illicit union with women the wicked spirits revealed to women evil arts.

As in exegesis of the Eden story, so here there was a readiness to see **w o m e n** as especially connected with the origin of sin and evil.

Lactantius explained that there were two kinds of demons; the first were spiritual creatures only, fallen from heaven; the others were the descendants of the perverse sexual union mentioned in Genesis VI."

Since there are moral connections between all people, it follows that the effects of sin are not shut up within the individual but are passed down through the human race.

"If we are units," Bushnell wrote, "so also are we a race, and the race is one — one family, an organic whole; such that the fall of the head involves the fall of all the members."

## C. G. Jung, Man and his Symbols

Every culture has a mythological story about a fall from grace –  
Alienating Common symbols - from Mankind's common  
"Collective Subconscious" symbols indicate a sexual guilt!

The English poet John Milton wrote in 1667:

After eating the fruit, then Adam and Eve had pleasurable sex, and only Adam is convinced that Eve was right when she thought that eating the fruit would be beneficial.

However, they soon fall asleep and have terrible nightmares, and after they woke up, they experience guilt and shame for the first time.

Realizing that they have committed a terrible act against God, and begin to accuse each other.

**Graham Greene** in an interview in 1949:

“I've always been interested in the mystery of sin.  
It is always the foundation of my books.

Since publication of the first, I've had an audience ready to receive the message and be sensitive to this issue.

T.S. Elliot argues that

before 1930 had authors no sense of original sin.

But that situation has changed, especially after the war.

Comment: *1935 SMM mission to the principles reveal the true origin of sin = Illicit sexual union between Eve - Lucifer and then Eve – Adam producing Original sin, Ancestral, Collective and Personal Sin.*

Ruth Montgomery, spiritual medium  
An example of a drug addict's death experience

People who die as an alcoholic can hover around people on earth who drink too much, crave alcohol still unable to break the habit bands that bound them to their physical bodies.

Same with heavy smoking or drug use, there or here, or sex maniacs who exploit others in order to appease the bodily desire for intercourse.

To escape the ... we must break ties,  
the shackles that bind us to satisfy the physical body.

So try to break the bad habits of the earth.  
It is clearly easier to SOLVE them on earth.

Those who do not drink or smoke or use drugs or  
lust for sex will be free from these shackles  
on the other side.

It is easier to break these shackles while in physical form  
than to undo them on the other side,  
there are no temptations in our way (in spir. world).

Thus, there is no reward for behaving correctly here in spirit,  
because there is something to tempt us with.

The hard school is in the physical, and it is there that we must  
face and overcome temptation.

How could I dare to ask for Your forgiveness?

## Summary:

- John the Baptist did witness to Jesus as Messiah, at Baptism  
But then failed to follow Jesus, recognize himself as Elijah  
and lay a physical and spiritual protective foundation.
- Jesus crucifixion was murder and hindered Jesus to fulfill the ultimate messianic mission of removing Original Sin.
- The removal of original sin will open a door of Salvation  
and ultimately lead to the removal of all sins  
(**Original, Collective, Ancestral, and Personal**)

## Summary:

- The one and only reason for Jesus to promise his return is to repeat and fulfill the messianic mission, of physical and spiritual salvation = removal of Original Sin
- This will be done by a messianic new birth on Earth and a Holy Marriage of the Lamb.

## Summary:
