

Rev. Jin Hwa Chung's visit to the Czech Republic

Prague, Czech Republic, 21. October 2012

On Sunday, October 21st 2012, we received the wonderful grace of the visit of Rev. Jin Hwa Chung to our country. He was sent by the International President, Kook Jin Nim and the Korea Foundation. He gave us two lectures about Meditation, receiving heavenly fortune and about Blessed Families and the Education of 2ndGen children.

56 adults attended his lecture. We were all amazed by his deep heart and positive spirit! We realized, how it is important, to practice the heavenly life style, positive thinking and living for the sake of others. Rev. Chung inspired us, to live the blessed life, and thus be an inspiration to others, who will naturally be drawn to our communities. We should also have the ambition, to take on leadership roles in society – even running for the highest public office.

Rev. Chung is 48 years old and one of the oldest 2ndGen in the world. We could feel the depth of his heart and his profound unity with God and True Parents.

Our members were really inspired by Rev. Chung! Here is some of the feedback that the NL received after the lectures:

Eva Kačirková: "I liked very much the lecture about meditation, it was deeply connected with True Father's words, not just made up... Also I could get personally some practical answers and guidance about improving my spiritual life and also I liked, that Rev. Chung emphasized the importance of both aspects: first strong spiritual conditions and preparation and second action, living for others, and practicing... It cannot work separately..."

Veronika Trinklová: “It was very refreshing and through his lectures I got answers to many of my questions, which bothered me for a long time.”

Pedro Costa: “This lecture was a good reviving of my life of faith in True Parents, it's always good to have someone closer to True Parents and Korea to come and speak to us and remind us that we must come closer and closer to God.”

Sasha Kirilov: “It was a fantastic Sunday Service today. Thank you very much!”

Rev. Chung spent the rest of the afternoon with CARP members and youth leaders, listening carefully to their questions and giving them good answers.
