Reaching out with a Mother's Heart

WFWP and The Blessing

Katarina Connery - April 16, 2019

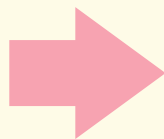

“Women need to come to a new realization of their original, God-given role and become the cornerstones for peace, happiness and freedom. The only way for us to build peace in each of our nations and in the world is to build true families confirmed in true love.”

WFWP Founding Purpose

We build a global family of true love, practice a life lived for the sake of others for our community and society, and build a peaceful world based on motherly love.

“With a Mother’s Heart”

“I sincerely ask you to follow the path of a true mother, the path of a true wife, the path of a true daughter and a true sister, and the path of a true woman leader, who will build a unified world where freedom, peace, and happiness overflow.”

Family is the School of Love

The family has the potential to manifest, most fully, the ideal of true love.

At every program we introduce briefly the vision of WFWP, focus on family as the school of love and peace and have a toast
