Dear National Leaders, Community Leaders and Sunday School teachers,

We would like to invite all Sunday School teachers and those interested in giving Sunday School Lessons to the second Sunday School Seminar with Tim Atkinson.

Last year he conveyed his experience and his lectures in Slovakian Training-center mainly to East European parents and Sunday School Teachers. This year we continue and invite all those interested to this Seminar. It will take place in Glanow, the Polish Training-center from 10th to 12th May 2013.

The purpose of the Seminar is to support parents, Community Leaders and Sunday School teachers in their responsibility of educating our younger children through the Sunday School. Tim Atkinson has wide experience in teaching children and has developed a system for educating through Sunday School. Sunday School teachers and those involved in education of young children can bring along their teaching-material and exchange it among each other, in the same way we will receive Sunday School material from Tim Atkinson and he will explain how to use it. So take along your pen-drive.

Please register early so that we can plan properly. 30 places are available. Send your registration to Liliana Karlsson, secretary of the BFDEU: including your arrival- and departure date, if you need to be picked up and your mobile nr.
