Many greetings from Hungary!

Mr. Rainer Fuchs our East-European Sub-regional director visited Hungary from 4th -14th of May. He visited 5 Church communities, met the brothers and sisters in the church centers where he gave a lecture about the meaning of Last Days based on your guidance and lectures. Also he spoke to us about the importance of FD and what are the basic differences before and after the coming of heaven ages. 11th of May he held a 1 day seminar in our Peace Embassy, the Budapest membership attended live, but the other cities and members who living far from centers, connected by internet webcast, so this way basically the whole membership was getting the lectures. He spoke about the H/W relationship, children education and connected us to TP and to the vision 2020. He had visited many couples and members, listened them and give them guidance, suggestions how they could improve themselves, their couple, and their mission. This time he also visited some blessed families who live quite far from church centers as well.

Thank you very much and may God bless you!
