Invitation to the ORIGINAL SUBSTANCE OF DIVINE PRINCIPLE Seminar for all brothers and sisters 1st and 2nd Generation in English Language

Dear brothers and sisters,

In the challenging time of the last days when we and our families are meeting countless spiritual directions in daily life it is very helpful to understand the Principle of God, our creator and Heavenly Parent.

This is the motivation to offer another seminar of the "Original Substance of Divine Principle". True Father in His direct way of expression said: "In order to become human beings, everybody should attend at least seven times OSDP seminars"

OSDP is teaching the deep Shim Jung of Heavenly Parent and gives us profound inside especially into the Principle of Creation and the Fall and how to restore it.

Also we learn how to apply this knowledge into practical relationships like between Parents and children, husband and wife and brothers and sisters.

We, the East European National leaders, are very pleased to hold this seminar in Poland and are looking forward to welcome you. Rainer Fuchs will be lecturing.
