

Leaders' Meeting in Ukraine

Mykhailo Ilin - November 13, 2018

Nine young leaders of witnessing centers participated in a one-day meeting in Kyiv on November 13, 2018.

We tried to organize the meeting based on True Father's victory formula (40 percent - spiritual world, 30 percent - understanding Divine Principle, and 30 percent - practice). So the leaders took part in a lecture-training competition, discussed how to achieve the goal, and prayed together at the Holy Ground.
