The Los Angeles Family Church celebrated Foundation Day and the Blessing on Friday, February 19 at the Pasadena House. Over 60 people attended to congratulate the young Unificationist-born couple, Seiji and Youngmi, receiving the Blessing through the live broadcast from Korea. Local officiators were Pastor George Kazakos and his wife. The couples' families invited their co-workers and employers to watch the Cosmic Blessing ceremony for the first time. Also, more than 40 young friends of the second generation Unificationist youth from high school to college age came from Southern and Northern California.
