On Sunday, August 21, the Atlanta Family Church held a joint ceremony for the Fourth Anniversary of True Father's Seonghwa and the Special Grace Ceremony. There was a beautiful atmosphere in the sanctuary, as families entered together to completely fill all of the pews. The praise team helped prepare the atmosphere through beautiful songs and the service included a message by District Pastor Rev. Gary Chidester, prayer by Pastor Kimura, and three cheers of Eog Mansei by Rev. Tom Cutts. Emcee Myrna Lapres guided the families through the offering of repentance and resolutions and the Holy Wine Ceremony. The video of True Mother's prayer over the Holy Items concluded the event. It was a powerful ceremony that offers us the opportunity to move forward as a community. The meal shared following the ceremony had the spirit of a wonderful, heavenly family reunion.
