You ARE Invited.

Grass roots members locally & nationwide, are setting a condition: For God's Grace & Blessing on America & Nov Election

**\*\*\*Reclaim & Turn Around American Culture** these next 4 years to 2020

**\*\*\*Choose an Abel-Type US President** in November 8, 2016.

Fasting and Praying in particular that America, even now at this late date, can successfully fulfill its righteous providential Mission for God on the world stage. According to True Parent's explanation and vision.

A number of members including Keith McCarthy, Kathy & David Hill, Mike Smith, Rick Joswick, Teresa Ledesma, Jim Boothby, and a number of others local and afar are involved, fasting and praying "For God's Will and America". The simple condition is offered every *first day (or 2nd or 3rd day, if you missed the 1st )* of all 8 months remaining until the November 8, 2018 election. April 1, May 1, June 1 etc

Americans everywhere understand that destructive currents of deep moral decay, humanistic confusion and a general unhinging of America from its moral bearings - threatens our country's well being. Quite possibly even America's existence.

Jim reports:

"Like many of you, I am also fasting 24 hours today. (black coffee only ). And praying.

With my local Maryland prayer partner, I prayed together by phone today about America and maybe how to recreate AFC effectively. How to turn the country around ?

**NOTABLE POINT- TEARS :** "I was surprised. During prayer with my prayer partner, I was twice completely overwhelmed with tears. **It was a bit intense and I had to stop to recompose myself."**

**"Somehow, after thinking about it, I realized <belatedly> that, with all the other specialty prayers and fasting today, April 1, perhaps *a special "reach God faster environment" was created.* I was caught by surprise a bit. It had been some months since I'd had such a extra deep, cleansing, heartfelt prayer experience praying for America."**

**IF YOU FEEL A BURDEN:** for the yet somehow unfulfilled "Mission of America " that True Parents detailed at Yankee Stadium & Washington Monument 40 years ago this summer, and would like to pray & fast with these members and others, please contact ... [Rick Joswick](#), [Kathy Hill](#), [Jim](#) or [Mike Smith](#).... or any of the others for how to connect! Or just do it according your conscience each first day of the remaining months.

**THE 8 MONTH CONDITION** covers Prayer & Fasting (totally according to your own idea, conscience and schedule ) on the first Day of each month for the next 8 months. Some are fasting 24 hours, 12 hours, water, coffee, one meal etc. It's all good. And making special prayers. Condition starts today [ April 1 ] or *any day* next 2 or 3 days, and goes 8 months to the election in early November.

We will post reminder prompts in advance, in the future.

Thank You.
