

Clarification: ODP is not responsible for restoration

I would like to clarify once more that when we say Original Divine Principle [ODP], absolutely it is not responsible for restoration because it is an absolute law. You mention lately in your email that **“ODP is for your soul cleansing”** I think you are 100 percent wrong because only the Principle of restoration was authorized by God to motivate that process. Soul cleansing is not under the jurisdiction of the Principle of Creation.

In addition, the Divine Principle is not that book of Exposition in your hand, but once again, the Divine Principle is the one who maintain the direction of absolute relationship of give and take action not the book. Your short explanation on ODP makes clear to me that you are ignorant of the Truth. Therefore, you're not healthy to be an elder to the Unification church members. You can not clean your soul Mr. Alde if you do not understand the Principle of restoration even thousand times you believed the Messiah.

I did not dishonour The True Parents Mr Alde; in fact, it is really true that the Messiah is not exempted to escape from the ceremony of the 3 great blessing. If you can prove to me that the True parents of heaven and earth fulfill the 3 great blessing base on the process of the Principle of creation it might be very good. You should not forget that True Parents was the first Blessed Couple who undergo the ceremony of restoration. **(Open your eyes widely Mr. Alde why True Father was require by God to pass through the blessing of restoration?)** If the True Parents did fulfill the ceremony of marriage centering on the Principle of Creation under the 3 great blessing this could be very explosive news to any members of the Unification family. And this could be a greatest proclamation of all. That is why once again God is sending his message to all leaders of the Unification church to listen that the marriage ceremony for the 3 great blessing must be fulfilled before his physical death so that he can enter to God's Kingdom.

I am not a new prophet Mr Alde, but I am a True Blessed Couple and the True Blessed Couple is more than prophets don't be ignorant by that. And if you are a Blessed Couple, then you should know that your position is more than a prophet. Sadly to say, base on your e-mail you are not a man of Principle.

Furthermore, I have the right to express my view point because the Divine Principle is owned by the True Blessed Couples. If you are oriented on God's Providence today you should answer me base on your understanding on the process of restoration and the process of Creation. But the way you speak is very clear that you are belongs to a failure generations. And according to God all blessings of the blessed couples like you, if you are, is gone. Don't be sick of reading my letter if you are not guilty.

In addition, you also mention in your email that my letter is just to shaken the FAITH of the unification church members, yes it is true and that's normal, remember once again in the first letter that I have sent to you that God said on that.

(Revelation September 2006): I saw the Unification church leaders and members and other religious groups gathered around and arrogantly discuss their ideas on God's word. Suddenly, there was a huge lighting strike followed by the terrible sound of thunder that shakes the Ground. When I look up the sky there was a man descended from the Clouds he was wearing the same of the True Father cloths during the **Entrance Ceremony of the Cheon Jeong Gung Peace Palace and the coronation ceremony** on June 13, 2006

In my heart, I knew right away that he was God, I can't look at his eyes but I can feel his energy which I've never been experience before. Then he shouted very loudly **"Keep quite!! All of you!! Be repentful instead, because there is more to come on my words that can shake the world, much stronger and most powerful of all."** Then he ascended back to the clouds and disappear. The blessed couples who don't have the capacity to connect to God directly must have to think about it now, how it happened and why?

Have a good day,

Jhun and Gelyn Modequillo

Blessed Couple WA

Below was the letter from Michael Alde of the Unification church

If indeed this is your own statement, transparently your objective is only **shaking the faith of the church** members. **What is then your authority to critice ODP?** pointing fingers to church leaders? and downful of the church? and etc. who do you think you are? new prophet sent down from heaven? **what a hect?** i feel sick of reading your letter. you call yourself a blessed couple? yet speaking words that **dishonor the authority of the true parents.** all that i know, **ODP is a soul cleansing,** CRITICISM is a soul poisoning. prince of CAIN is always in the state dissatisfaction and bewilderment. you are spying members on FB hah? for god sake, cease your foolish activity in the wave or you go hell. **love you bro. GOD BLESS.**
