Dear FilJap Blessed Central Families,

May God's blessings be upon us all as we continue our journey in this most precious month of the year 2018.

Please be aware of the deadline for the offering of the special donation for the anniversary of True Father's Universal Seonghwa Ceremony. Each family is asked to donate for this yearly offering from the heart by the 25th day of August.

You may send your donation through the bank account that is provided by your respective district accountants. Attached is a copy of the official letter about it from the International FFWPUI Headquarters.

Thank you for your understanding and cooperation. Please guided accordingly.

Yours sincerely,
