1. The Only Begotten Son and the Messiah at the Second Coming

1) THE PROVIDENTIAL RELATIONSHIP BETWEEN JESUS AND TRUE FATHER

- **God's providence of salvation = providence of restoration = providence of recreation**
 - God re-established new original ancestors → Growth → True Parents → One Great Family of Humankind
 - New established original ancestors 1 man and 1 woman = God's Only Begotten Son and Only Begotten Daughter
 - Birth of the Only Begotten Son and Only Begotten Daughter → True Parents → Providence of salvation
 - The Only Begotten Son and Only Begotten Daughter [ideally] become the True Parents, Savior and Messiah

• The meaning of Messiah, and Messiah at the Second Coming

- Messiah (Hebrew) = Christ (Greek) = Savior
- Originally, the savior was to be the True Parents. In other words, the Messiah is the True Parents.
- However, since the Only Begotten Daughter could not appear at the time of Jesus, the concept of “Messiah” has come to mean Jesus.
- The theology of True Parents also refers to Jesus' "mission of the Savior" as the "mission of the Messiah," and to True Father, who inherited that mission, as the “Messiah at the Second Coming” or “Returning Messiah”

- **The birth of the Only Begotten Son, Jesus and the prolongation of the providence of True Parents' advent**
 - He first sent the Only Begotten Son, Jesus, and then wanted to send the Only Begotten Daughter on that foundation.
 - However, Jesus came → disbelief of the people → the path of the cross; the Only Begotten Daughter could not appear.

 - For the emergence of True Parents in history:

 - God does not send another Only Begotten Son (another will not be born)

- **Where, when, and how will the Messiah at the Second Coming appear?**
 1. Where: In Korea, where Only Begotten Daughter is to be born
 2. When: Before the birth of the Only Begotten Daughter 1943. prepare for the Marriage Supper of the Lamb, establish a family.

 - After liberation in 1945, many members of the Korean government were Christians.
 - If True Father could have laid the foundation for Christianity → True Father and the Korean government would have been connected → The Only Begotten Daughter would be received at the national level and the Marriage Supper of the Lamb celebrated.
 - However, it was difficult to establish a Christian foundation → It was difficult to establish a foundation within the nation

- **Conditions for national foundations through world mission work**
 - Korean missionaries were dispatched to Japan and the United States, representative providential countries.
 - Missionary Choi Bong-chun was sent to Japan in 1958, and missionaries Kim Young-un and Kim Sang-cheol were sent to the United States in 1959.
 - The conditional providence that created a national foundation to welcome True Parents so True Parents experienced persecution.

 - The providence of restoration of lineage in the Old Testament era was the providence of restoration through indemnity to lay the foundation for the birth of the Only Begotten Son and Daughter.
 - In the history of God's providence of restoration, the Old Testament era providence of the restoration of the lineage was completed and concluded with the birth of Jesus, the Only Begotten Son.
