Start Your Minister Work!

Strong christian support for True Parents at MSG resulted in True Mother's even higher hopes for Christians . We will now re- prioritize ecumenical outreach to churches. More cooperative projects together.

Several dozen D-1 minsters just returned form Korea. Next time we want to send 4 times as many!

PG county alone has 900 churches! We'd like relationships with at least 40! Very doable with the many motivated members we have at New Hope; Just requires work! And more consistent effort and organization. Christian churches played a successful central role in attending TM, even though sometimes struggling with new ideas. Nowhere else have Christians strongly supported True Parents like in America. True Mother appreciates that and wants to build on it. The shifting of skilled minister leader, Dr Michael Jenkins to bolster that area reflects that concern.

Want to work with other pastors and churches? Every member could!

Please be our guest for dinner, education and informal conversation This is an opportunity that will allow everyone to talk and exchange ideas and views and make plans

AGAIN - you must RSVP Call Text or email Pastor Jim 410 562 8317 or; Rev Francis 443 653 2610... for planning dinner
