True Mother ~ 3 hours ~ Breakthrough Prayer

New Hope Church, Melford

Tomorrow Night

Friday, Sept 28

12 Midnight -to- 3 AM

(Please arrive before 11:45pm)

To All Brothers and Sisters

Please Join us for our first Inaugural Midnight to 3 AM Prayer at New Hope this Friday night, Sept 28. This nighttime prayer is one of the 3 main points Pastor Ernest emphasized and promoted upon his return from Korea after spending 2 weeks with Mother.

This is the same prayer time and format that spurred a breakthrough in Korea as the leaders in Chung Pyung used this exact "prayer formula" to support church activity and witnessing. Their purpose was to support the march to 2020...and Blessing, Teaching and Meeting New People and Building Their Tribes in particular. Apparently it "works"!

Mrs. Keiko Patton is herself already praying every night from Midnight to 3 am to lay a special aggressive and bold strong offering foundation in this regard. Every night! Keiko and Pastor Ernest will join us for this first of our night prayers. Thanks to them for that. Please make every effort to attend.

(I hesitate to say it, and do not want to encourage such, but ...even if for example you can handle till 2 am, but cannot handle till 3 am....please join us anyway. It's all good. Why not.)

We will serve some hot tea and fruit and cookies to keep everyone going.

Usually a "prayer" of this sort isn't 3 straight full 3 hours of prayer, btw. It generally will involve Holy Songs, Read TF Words, everyone offering representative prayers, perhaps as a 21 minute unison prayer, more representative prayer etc.
