2018/19 New Hope Council Election Extension

Dear New Hope Family,
Because of the inclement weather last Sunday, voting for the council election has been extended for one week until Thursday, January 24, 2019. Please deposit paper ballots in the Ballot Box located in the front foyer after Sunday service.

You can also send an email with your votes to nhfccouncil@gmail.com. Please be sure to include your name on your ballot or email.

There are four open council seats. Please vote for the people you would like to see on the council. In case you think another person is qualified which is not on the list of candidates, you are free to write-in your choice.

For any questions about write-ins or other matters, please email Mary Johnson at johnsonmb52@yahoo.com. Election results will be announced Sunday, January 27, 2019. Thank you!
