NEW HOPE FAMILY

SAT DEC 28 "WATCH PARTY" AT MELFORD ? WILL YOU ATTEND ?

Dear brothers and sisters,

Not able to attend in New-ark, NJ? Last Sunday we announced a watch party at Melford of True Mother's cosmic level event in Newark NJ. Live opportunity to participate in the event ...with others ...in fellowship, conversation and live stream the event. We need to know as soon as possible if there are people who would come.

Please call or text Beverly Berndt at 240 486 0362 or email gambiagirl@yahoo.com immediately or at the latest by 10:00 PM today, Friday 12/27 .

We need to decide to hold it or not to hold it... based on how many are interested. If we do it, it would be 3 pm to 5pm/6pm , Sat Dec 28th at Melford. On the big screen. Mother her self is expected to speak early in that period. Then, Bishop Noel Jones, Dionne Warwick etc.

A number of people didn't make the ticket cut off and we think there may be a desire to get together thusly. **Please let Beverly know.** POTENTIAL PLAN: Doors for the Melford watch party will open at 2:30 for snacks and prayer and there will be a simple meal and sharing time after the program until 6:00 pm. Beverly would host it.

Please let her know of your interest.

PS If you're still interested, yet unable for some reason to go to Melford, ipeacstv.com will live-stream
