DAVID MOFFITT SPEAKS

We are introducing a new event **Wednesday, April 15th 7PM TODAY** Many of you have already heard about this on **FaceBook**. We know the current coronavirus situation presents a pretty big obstacle when it comes to feeling connected with friends, community, faith, etc. It feels like a metaphorical desert sometimes.

The goal behind **Oasis** is to create a space where we can still **connect** - virtually! The plan is to have a **Zoom meeting every other Wednesday**, starting today, Wed the 15th. We will have someone from the community (This week **DAVID MOFFIT**) give a short talk on a relevant topic (this week is **FAMILY**), and we will split into small groups to catch up and discuss.

See you on tonight at 7pm!
