Dr. Michael Jenkins
"Providential Understandings! "

J Join us for an insightful online Zoom gathering Tomorrow Tues May 5 for the New Hope Mid-Week service. Dr. Michael Jenkins, arguably our most "dialed in, top level of the disciple to True Parents doings outside of Dr. Kim & Rev Dunkley"will speak.

This such a challenging, yet in some ways wonderful transition time throughout the world. What does it mean? How can BCFs cope, and even profitably use this difficult moment for further growth, and foundation laying for the 7-year course?

(Please also consider coming on for the "pre-service" **group prayer at 6:50 pm** to support the speaker & prepare the atmosphere. **PRAYER MAKES A HUGE DIFFERENCE!**
