Moving out of Melford -- Stage 3

Dear New Hope Family,

THANK YOU VERY MUCH AGAIN TO ALL THE VOLUNTEERS who helped packing up and moving our belongings out of Melford last Sunday! Even more has been accomplished! Now, we just need to finish the last stage 3: **This coming Saturday, October 24, starting at 9 AM we would like to pack and move all remaining items to storage.**

We would like to ask again for volunteers to come to Melford and help load them into a truck and unload them again at TWT. ***Rex Butler will conduct this move. PLEASE RSVP him if you are willing to help (301-832-4018).***

On Sunday, October 25, we need to have everything moved out and cleaned up at Melford. For any questions or concerns other than the move-out, *please contact Pastor Jim or any of the council members.*

Again, thank you very much to all who helped last Sunday and during this week so far: to Emiko Butler who organized packing help from Machiko Moran and Mayumi Kernan. She also brought snacks for everyone. Rex Butler moved a second load of books and holy items which Diane Abendroth had packed during this week. Otmar Weinmann has taken most of his equipment. Susan Fefferman packed up ECG stuff from the kitchen and cafe area--and many other things too. The Herbers clan, the Rissanen clan, Jan Van Zupten, Frank Grow, Larry Moffitt, Hiroshi, Sungkwan, Ryusung and his friend Alexander were the core movers last Sunday for loading at Melford and unloading at TWT. Nick Kernan handled the larger truck driving. Randy Francis was really good on his end at TWT.
