A historic 2020 election for the US President looms tomorrow, Tuesday! The world's most important national leader will be chosen!

As Dr.Yong explained, our devotion and Joengsung (devotion and prayer) makes the difference as to how Heaven can work. Even when HP desires something, the availability of our jeongsung, like cash in a checking account, makes the difference.

We are calling for prayer at 9pm (12 minutes)(with the group) or individually anytime, AND, 12 midnight (1 hour) (for the first hour of Election Day) (for the more adventurous!)
Prayer for your chosen candidate & that God's Will Be done in America.

At today's meet up, despite smaller conditions going here and there, we collectively agreed to end this season with _church_-wide prayer. To pray in either of 2 ways.

TWO PRAYER OPPORTUNITIES :
12 minutes for the election (Now for Mon and Tues Night)
1.) Individually - Everyone individually (anytime today)
2.) Group - Or with the group at 9 pm. On the zoom call.

1 Hour for the Election (Tonight-Midnight to 1 am)
1.) For the even more prayerfully minded!
2.) First 1 hour of Election Day! Also on the Zoom Call

As Mother said- our job - is to elect the Presidential candidate who can:
a.) Stand for and support traditional Christian and Family values
b.) Support and work for the reunification of N and S Korea.

Again, apologies for short notice.
Thanks, Everyone. See you tonight ! And, don"t forget to vote!

God Bless you!
