# Gender Equality: How Far Did We Get?

City Hall, Fidapa, Italy, April 18, 2018

By *Elisabetta Cali*

Welcome regards have been given from the city mayor, the counselor of equal opportunity and the assessor on youth policies. Excellent speakers have reported on the status of women rights,

starting from their own experiences in manager's field, society and family's field, reminding the importance of the 5 point of SDG 2030. Other topics have been touched such as Violence against women and children, the Chart of Girls Rights, Feminine Value in today's society, Education in the school as prevention against violence.

Elisabetta Nistri after thanking all the speakers and women that have been fighting in the past so that now we could benefit of their victories has proposed the WFWP vision underlining that now is the time to look for feminine and masculine virtues to build a better society.
