

## At MSG True Mother proclaimed herself as the Only Begotten Daughter of God

“In the speech, True Mother proclaimed herself as the “only begotten daughter of God.” Every time True Mother proclaims that she is the “only begotten daughter of God”, my understanding is that as True Father, the only begotten son is no longer with us here on earth, True Mother is reassuring God, telling Him, “your only begotten daughter is here. Don’t worry, I am in charge and will take care of your sons and daughters and your will.”

She is also proclaiming to being the “only begotten daughter of God” in front of humankind with absolute faith and absolute confidence with heaven and earth as witnesses. Therefore, no one can no longer say, “We did not know.” Even Satan needs to hear it; he is a witness too. My deepest prayer and hope is that soon an influential individual will stand before the world and proclaim over and over that our True Mother is the “only begotten daughter of God.” Then, she will no longer have to do it for herself.
