

Boston Church's Final Farewell Service The Boston Church at 46 Beacon Street

Catherine Ono
July 29, 2023

The Boston Family Church is saying farewell to 46 Beacon St. The Boston Church at 46 Beacon Street has been the anchor of our community in Boston and New England since the 1970s, but is also known nationally and internationally, as community members from all over the world stayed in it - be it as a center member, a student, or a visitor.

Due to the national and international church's financial situation, the Boston Church has been sold and our final service is this Sunday, July 30, at 10 am EST.

For those who can, please join us as we say goodbye to this wonderful place.

If you can't come in person, we welcome you to join us by zoom using the below link and password.
