Dear Leaders, Brothers and Sisters,

Last night I forwarded a request for donations for True Mother's experience with the youth.

We'd like to clarify, that these donations should be made to HSA-UWC for the sake of supporting True Mother's worldwide providence, in honor of True Mother's visit to America. They will be made to support True Mother through the International Family Federation.

Thank you,

Tal Zorer

Hello,

True Mother is coming. And she's coming to meet us, the American youth. How are we showing up? I don't know about you, but I want to be ready to respond with my whole heart to support True Mother with whatever she needs. Even to anticipate her needs before she asks.

We know that our movement is facing serious financial challenges around the world, especially in Japan and America, and True Mother is shouldering that burden. We want to comfort her with our filial heart without being asked. Therefore, we are initiating the "Hyojeong Love Offering" from the youth. We will collect donations in honor of True Mother's visit, and send them as a special offering to International Family Federation, representing our filial love for True Parents and Heavenly Parent.

Our biggest priority is participation: we want as many of our youth to give something as possible. Whether you can give a lot or a little, whether you are going to Vegas in person or not, please consider offering something!

If you're bringing checks, please make them to HSA-UWC, and write 'True Mother's Visit' in the memo.

Let's offer our sincere heart to our True Mother!! See you in Las Vegas.
