

FFWPU USA: Celebrating the 3rd Blessing Anniversary of 2020 Couples

October 9, 2023

Happy 3rd anniversary to all the couples celebrating their Marriage Blessing! Unificationist couples across the U.S. participated in the "Special Blessing Ceremony" held virtually on October 10, 2020 amid the Covid-19 pandemic. With safety precautions in place, communities domestically and abroad hosted celebrations individually for local couples.

The second of two Blessings in 2020, the October ceremony was the first and only one officiated by True Mother solely via broadcast from Korea. Communities in California, Nevada, Texas, Minnesota, and New Jersey honored their couples with intimate yet socially distanced celebrations at local churches.

Congratulations to all the couples worldwide celebrating their anniversary
