Dear Family Members,

This November 4-5, there will be a special commemorative event at East Garden to honor 50-years of Extraordinary Devotion of our Japanese Missionaries in America. I have to say, given the events currently unfolding in Japan, this event couldn't come at a more poignant time.

I found out about this shortly after returning to America, and I have to confess that I am a little ashamed that the event itself is being organized by our Japanese elders, along with the help of a small committee. If we were on top of it, this is something that we could have suggested, or supported more robustly as an American movement.

In that light, I hope you will feel the same way, and kindly [make a contribution at this website](#) as a small gesture of thanks to these precious brothers and sisters who embarked on this impossible journey 50 years ago.

Let these precious pioneers know how much America loves them, how much we appreciate their exemplary role in True Parents' Providence in this country, and that we will never forget the care and mentoring that they have provided to so many American members.

May Heavenly Parent Bless you,

Rev. Demian Dunkley

Let Us Remember & Thank Our Japanese Elders

Dear American Brothers & Sisters,

We ask for your kind contribution to help support a historical event: "50 Years of Extraordinary Devotion: Commemorating the Unification Missionaries of Japan in America," which will be held at East Garden, commemorates their victory and their sacrifice.

This special commemoration event on November 4 & 5, will bring together our elder Japanese missionaries who, 50 years ago, left behind their home country of Japan, their families, their friends, and their dreams to respond to God's call to save America. They have deeply touched each of our lives and the very soul of America.

You may contribute at bit.ly/thankyou50th

Sincerely,

William D. Lay and Thomas J. Ward

Please help by donating toward the \$40000 cost of the event (that includes an historical record of the testimonies of these pioneers who were called to sacrifice 50 years ago by True Parents). Your generous contributions are America's way to recognize and thank our Japanese brothers and sisters who, half a century ago, pledged and dedicated their lives to secure the future of God's Providence in the United States.
