Chanyang Session

The literal translation of “Chanyang” from the Korean word is “Praise” or “Worship”.

During our life, we notice sometimes that there is a dark cloud covering us, holding onto us tightly. Evil Spirits are holding onto us. They distract us, miss lead us, they bring division and confusion.

Through the Chanyang Sessions, Angels and Absolute Good Spirits guide them to return to Heavenly Parent’s embrace. As we help these spirits to return to Heavenly Parent’s embrace, we Purify and Cleanse our Spirit. Our lives are enriched.

Divine Principle Education

Walking through a life filled with Trials and Turbulations, True Parents discovered Heaven’s Secret that was kept hidden throughout the long course of History. True Parents discovered that God is not an Almighty Being sitting on His Throne in the highest part of Heaven. True Parents discovered that God is our Heavenly Parent, and we, Humankind, is His Children.

The Divine Principle is the Truth that will open a New Era. It is the Truth that will bring together all Nations, Cultures, and Religions, forming One Global Family centered on our one Heavenly Parent.
