

Table Talks Card Game: Bringing the Principle to Life

Demian Dunkley
July 23, 2019

Find out how much your opponent knows about the Divine Principle!

Welcome to Table Talks: Bringing the Principle to Life -- the conversation cards edition. In this set, you'll find 75 question cards covering the main themes of the Exposition of the Divine Principle, the essential teachings of the Rev. Dr. Sun Myung Moon and Dr. Hak Ja Han Moon.

Use the questions on the front as free-standing prompts or refer to the quotes on the back of each card to kickstart your discussions. Or play the competition version -- first player to answer five cards correctly wins.

We trust that God will not only guide your conversations but will be right there with you, every time!
