

## **Commemorate Chil Il Jeol and Chil Pal Jeol, Two of the Eight Major Holy Days**

Demian Dunkley  
August 1, 2019

From FFWPU - USA Headquarters:

On Thursday, August 1, 2019, 7.1 by the lunar calendar of the 7th year of CIG, our Unification community will commemorate two of the eight major Holy Days: the 29th Declaration Day of God's Eternal Blessing (Chil Il Jeol), and the 23rd Declaration of the Realm of the Cosmic Sabbath for the Parents of Heaven and Earth (Chil Pal Jeol). We would like to encourage all local communities to hold a prayer and pledge service with an offering table at 7 a.m. on August 1. We believe it is important to celebrate our Holy Days according to the traditional day and time as much as possible.

In 1993, on the 3rd Declaration Day of God's Eternal Blessing, True Father said:

Today, on this occasion of Chil Il Jeol, I again promise you God's eternal blessings. Therefore, there must be no Fall from now on. Although the Fall occurred at the time of Adam and Eve, henceforth the Fall must not happen. Now that the promise of eternal blessing has been proclaimed, the Fall must not occur in this era of history. Adam and Eve must attain their central position by growing from the level of little children to the level of adults. They must grow until they reach perfection. However, in the end, there is still Adam and Eve's own five-percent portion of responsibility, which they must accomplish within the realm of dominion based on accomplishments through the Principle. Only when they are connected with God through love in both spirit and body can they do as they wish, being in a direct relationship with God both internally and externally. ... I am saying that the era has arrived in which God can directly intervene in both the realm of direct dominion and the realm of dominion based on accomplishments through the Principle. (Cheon Seong Gyeong, Book 11, Chapter 5, Section 1, Number 49)

For further reading on Chil Il Jeol, see also Chambumo Gyeong, Book 12, Chapter 2, Section 2. The declaration of Chil Pal Jeol was made on the foundation of completing the blessing of 3.6 million couples. True Parents declared that God was finally able to take his "Cosmic Sabbath", and that God's eternal resting place can be in the hearts and homes of every blessed family. For further reading on Chil Pal Jeol, please see Cheon Seong Gyeong, Book 11 chapter 5, Section 1, from Number 52, and Chambumo Gyeong, Book 12, Chapter 3, Section 2, Number 7.

#### Section 1. Holy Days

#### Chil Il Jeol (Declaration Day of God's Eternal Blessing)

45. Today is Chil Il Jeol (7.1 Day). Chil Il Jeol is the Day of the Declaration of God's Eternal Blessing. Human beings have not yet fulfilled the three great blessings that God bestowed on them after He created them. God's hope throughout history is that, through the providence of salvation, God's blessings will be fulfilled at some point in time. Unless this is concluded at some point, human happiness and God's ideal world can never be realized. Therefore unless God's promised blessings can be revived and established as eternal blessings, the eternal ideal world of humankind cannot be realized. Someone must take on this task. That someone is not just anyone. It is possible only when the right person comes, the one chosen by God to accomplish the ideal of the original perfected Adam who has nothing to do with the Fall. In other words, we can conclude that this task can be done with the coming of the True Parents. (232-007, 1992.07.01)

46. Why have God's eternal blessings not been realized? The three great blessings were not fulfilled due to the emergence of the false parents of humankind. In order to restore that through indemnity, the True Parents of humankind must come and stand in the position to settle accounts for everything in providential history. Then they must declare, "We are standing in the position where we can shout 'mansei' for God's eternal blessings." Otherwise, those children, tribes, nations and world under their command cannot stand confidently in front of God. For this reason, I am declaring that God's eternal blessings are once again available to humankind. This is Chil Il Jeol. (232-009, 1992.07.01)

47. In 1991, just before the beginning of 1992, I completed a forty-year period in my life. Through that course of trials and tribulations, I re-indemnified what I initially did as I walked through the sevenear course from 1945 to 1952. In this way I finally cleared everything, all the debts of human history. Therefore, the time is coming when I will be able to introduce Mother as the Mother of this world, and Mother's children as the children of the world. All this can be

done through Chil Il Jeol. This is what Chil Il Jeol is about. We lost the realm of the chosen people, the First Israel, and we lost Christianity, which is also the realm of the chosen people, the Second Israel. What was lost must be restored. By restructuring the family, we must restore families, tribes, peoples, and even nations so that they can belong to Heaven. For this we must reach up to the national level in Satan's world. (286-036, 1997.07.01)

48. Due to the Fall, humankind lost God's three great blessings. In this course of restoration, before God's substance appeared, I had to proclaim that these were begun again. That is what Chil Il Jeol is for. Hence, as we ended the year 1991 and entered 1992, I had to proclaim this. Foreseeing that this transitional point in history was upon us, I settled all the accounts in biblical history. I have definitively settled all accounts. The first words that God gave to human beings were the "three great blessings." Therefore, everything had to be cleared up in order to set the standard for God's Word to be given, and I had to stand in the position that was beyond the standard of everyone's past investments. Only on that foundation could I announce the Completed Testament Age along with the declaration about the True Parents. In other words, God's purpose in leading the providence with all kinds of programs thus far was only to see this time. (248-074, 1993.07.01)

49. Today, on this occasion of Chil Il Jeol, I again promise you God's eternal blessings. Therefore, there must be no Fall from now on. Although the Fall occurred at the time of Adam and Eve, henceforth the Fall must not happen. Now that the promise of eternal blessing has been proclaimed, the Fall must not occur in this era of history. Adam and Eve must attain their central position by growing from the level of little children to the level of adults. They must grow until they reach perfection. However, in the end, there is still Adam and Eve's own five-percent portion of responsibility, which they must accomplish within the realm of dominion based on accomplishments through the Principle. Only when they are connected with God through love in both spirit and body can they do as they wish, being in a direct relationship with God both internally and externally. Until that connection is made, they are still separated. They are not yet fully united. However, now that I have proclaimed the True Parents as well as the Completed Testament Age, based on the foundation of your unity with the Parents, the unification between the realm of dominion based on accomplishments through the Principle and the realm of

God's direct dominion has been realized in the family. I am saying that the era has arrived in which God can directly intervene in both the realm of direct dominion and the realm of dominion based on accomplishments through the Principle. (248-077, 1993.07.01)

50. Today, July first, is Chil Il Jeol. As July is the number seven, it corresponds to the jubilee year. It means we have entered the historical age of liberation. Throughout history women have been held in captivity in the most miserable ways. That is why I established the Women's Federation for World Peace, with the objective to unite all women of the world for their liberation. Who is leading it? Mother is leading it. Mother is its representative. We should be grateful that Mother could emerge, and this is thanks to the establishment of Chil Il Jeol. With that, I could dispatch tribal messiahs, and meet Kim Il Sung and win him over. Afterwards, when I returned to South Korea, the public finally recognized my name. (232-050, 1992.07.01)

51. God blessed Adam to fulfill the three great blessings in his family, "Be fruitful, multiply, and have dominion over all things of creation in heaven and on earth," but he was not able to fulfill them. However, for the first time since the beginning of history, I recovered God's blessings. Then, standing on top of the world, I victoriously proclaimed His eternal blessings for humankind. On the foundation of this proclamation, Mother could finally appear in public on the world stage. While it took forty to fifty years for me to reach this position, Mother reached it in only nine months. Based on the standard that Mother attained by uniting with me in absolute obedience, I could then present Mother and proclaim women's liberation. Now, in front of Mother's perfected historical standard, we men and women on earth can be in complete oneness with True Parents based on God's true love. Thereby we can establish this victorious foundation all over the world. It is truly amazing that we can proclaim the victory of God's eternal blessing, after years in the trenches undergoing circumstances of opposition from nations and the world.

### CHAPTER 10. The Philosophy of Peace

#### 6. Let us advance toward the era where harmony and unity can fully take root

Beloved Father, today is the first day of July in the fifth year of Cheon Il Guk. Half a year has already passed since we began this year to honor the motto "Let us complete the realm of the ideal family in the internal and external Cheon Il Guk." We have passed a climactic watershed and after fourteen years we are celebrating the fifteenth Chil Il Jeol (7.1 Day), which is connected to world history. In this age of being able to commemorate the era of God, we have welcomed a new morning in the new month, marking the fourth day after spending three days touring New York, Washington DC, Chicago and Los Angeles.

Going beyond the critical dividing lines that are national borders, stepping beyond the boundary lines marking each person's ownership, truly at this zero point we are commemorating Sam Chil (3.7) Jeol that newly represents the Old Testament Age and the New Testament Age. I offer thanks for Your grace of permitting us who are on earth to commemorate a great transition through Chil Il (7.1) Jeol, with the participation of our ancestors in the spirit world together with our descendants who will be born in the future, during this period of commemoration that is being held in attendance of True Parents.

For this purpose, please let our minds and bodies be united as we make a fresh start toward an open world of peace where we can live in any location within the realm of protection determined by the Abel UN that You designated centering on the World Peace King Bridge. A time of commemoration could be established by blessing again everything related to the unity of husband and wife, through which all members of the family are united, establishing a model for our future children. After proclaiming the present era as Your era, we have welcomed the time when all existing beings in the universe, who are in a joyful and glorious state, can advance toward Your ideal kingdom of heaven by going beyond the bitter course of restoration through indemnity, and be made equal in the eternal heavenly world.

Thus, I pray that You will permit us to invest our entire being in creating a broad highway that has eight or more lanes, a bridge and a tunnel that will enable us to

make a circuit around the earth, allowing for a time when You, Father, can join in sharing with us at every point that our hobby centered life resides within Your realm of dominion, including the spirit world. I sincerely pray that You will allow us to advance toward a world where we can welcome a new heaven and new earth in the Era after the Coming of Heaven, which is the liberated kingdom of God on earth and in heaven, and enjoy an unchanging tranquil reign of peace for eternity.

As our predecessors desired, I pray that You will give us special permission to fish and to seek a life of gratitude, while experiencing the deep realm of heart in the heavens and in all of nature, where the snow covers the summit, the trees and plants grow in mid slope, and flowers blossom at the foot of the mountain. I sincerely pray that You will allow this day to become a day of commemoration through which a new culture and tradition can be established and advanced in the name of a family of filial children, loyal patriots, saints, and divine sons and daughters, who can bestow upon all things in the universe the right to participate with You and accompany You, and offer to You, our Father, the whole of creation as an existence with the value of liberation and complete freedom.

I sincerely pray that You will bless the blessed families and the blessed leaders, whom You love, who have gathered this morning from the six continents of the world so that they can advance toward the era that safely establishes victorious liberation, complete freedom, harmony and unity, centering on one heart, one mindset, one body and one nucleus. As we now commemorate this Chil Il Jeol (7.1 Day) anew, Father, I pray that You will accept this offering. All this I sincerely, sincerely, sincerely offer and proclaim in the name of True Parents. Aju! (July 1, 2005)

### CHAPTER 5. The Holy Days and Anniversaries

#### Section 1. Holy Days

#### Chil Pal Jeol (Day of the Declaration of the Realm of the Cosmic Sabbath for the Parents of Heaven and Earth) (232-035, 1992.07.01)

52. At seven minutes and seven seconds past seven o'clock in the morning of the seventh day of the seventh month of 1997 by the lunar calendar, we fulfilled the goal of this year's motto, "Let us love True Parents and be proud of True Parents by accomplishing the 3.6 million couples Blessing." We did this by completing the Blessing of 3.6 million couples. Father, You sent True Parents to the earth, and they are standing before You. Through them, You are now able to express Your heart and educate all humankind about Your inner reality, of which they were ignorant throughout the ages of Your arduous and sorrowful history. As a result of losing Adam and Eve during the period of their adolescence, You came to face the breakdown of the family. When they were but sixteen years old, they succumbed to Satan's plot and ended up leaving a sad history behind them. This is because Adam, who should have been related with God by blood, instead formed a blood relationship with Satan. In order to erect the new history of the heavenly kingdom, You established the religious realm and began cleansing the lineage of the archangelic realm, namely, Satan's lineage. Your providence to bring individual salvation, it was to recover the eldest son in the archangelic realm. On the foundation of going beyond the Old Testament and New Testament Ages, now in the Completed Testament Age we are attending the Messiah in the realm of the chosen people. In this age of the Second Advent, where salvation has reached the worldwide level, we have entered a tremendous age when we must, on the world-level path, clean up the young people's distorted views on ethics and end the family breakdown that was caused by the first Adam. (286-078, 1997.08.09)

53. The heavenly kingdom has been empty. Adam's family could not enter it, nor could all the generations of our ancestors. The True Parents, by being perfected as the world-level ancestors of humankind, must reorganize the first, second and all subsequent generations, and fill the hitherto empty heavenly kingdom. Once they have done so and reversed the way

the world moves by 180 degrees, God can be as active as He pleases in the heavenly kingdom of freedom and liberation, because Satan will be gone. Chil Pal Jeol is the day to declare the realm of liberation, where God has no obstacles in His coming and going from the individual to the level of the physical world and the heavenly world. It is the day we proclaim the Realm of Cosmic Sabbath for the Parents of Heaven and Earth. (286-112, 1997.08.09)

54. August 9, 1997 is the "Day of the Declaration of the Realm of Cosmic Sabbath for the Parents of Heaven and Earth." Heaven (cheon), in the term Parents of Heaven and Earth (Cheon Ji Bumo), symbolizes the Father. Heaven, the Father, is eternal. The Father is eternal. Accordingly, fathers must have great dignity. You should become such fathers. Mothers must be thoughtful and pay attention to detail. Then even as a mother and her sons and daughters build a home in a father's bosom, his heart will have room to take on more responsibilities. We can get through anything with true love. When you reach the heavenly kingdom, you have to enter through a gate. As long as you can show your true love token, you will have no problem passing through it. (286-124, 1997.08.09)

55. Once we recover our family, we can form our tribe upon it. Once we build our tribe, a people can emerge upon that base. Based on one people, we can establish a nation. Finally, once we establish a nation, we can arrive at the realm of freedom where we can create the world and the heavenly kingdom on earth and in heaven. Because I gave the Blessing, the standard of which transcends nation, race and religion, the world can no longer oppose us. Hence, Satan's world will be shut down and even he will have to swallow it. No one but the True Parents can deal with this matter. That is why I can say that the era has come when we need to resolve to perfect the individual, the family, the tribe, the people, the nation, the world, and the heavenly kingdom on earth and in heaven according to the original tradition of God. We have come to a point when we can practice all this all the time. Satan cannot oppose us because we have reached this standard. Now, having gone this way, we have laid the foundation to establish this realm of victory and this environment of freedom. On this foundation, we can declare the Realm of Cosmic Sabbath for the Parents of Heaven and Earth. (286-168, 1997.08.09)

56. An ideal home is a place where God can visit and take His Sabbath rest. To make your home an ideal

home, first you must get rid of the concept that your home is yours personally. Instead, you must make it the home of your couple. Then God can dwell in your personal place and also dwell in your spouse's -- your wife or husband's -- place. The greater the love your couple shares, the greater will be God's desire to visit your home. It does not matter if the husband and wife come from different traditions and have different characters, different viewpoints and different shapes. Regardless, that family should be able to attend God. Their unity as a couple tightly bonded as one, although they are 180 degrees different from each other, inspires God to want to visit their home as a place to take His Sabbath. You couples must make your family a place where God can take His Sabbath. The invisible God should be able to come in and, as the subject partner, He should become like the couples loving mind. The couple, like Adam and Eve, should become as His substantial body. Then they should reach the standard of oneness in mind and oneness in body that will join God to their Sabbath rest in the place of their love, where their minds and bodies are united as one. When a couple creates a place for Sabbath rest on the foundation of the love of man and woman, they make a place where God can take His Sabbath rest in their family. (286-164, 1997.08.09)

57. We must find a place to take our Sabbath rest. We must find a home where you as an individual can take your Sabbath rest and where you as a couple can take your Sabbath rest together. When you as a couple give birth to children and they live with you, then your home should become a place of Sabbath rest through the subject partner-object partner relationships between parents and children. This is what is the most important. In the family, you must fulfill the formation, growth and perfection stages. Hence, if one is missing, if either you are not there or I am not there, it means that God cannot find a place to rest. It means that without you, God cannot perfect His love even after myriads of years. Therefore, you must become one with Him and become filial sons and daughters who can attend Him for myriads of years. You must know the depth of God's bitter sorrow for not having been able to meet His filial sons and daughters, and by resting with your couple He should be able to wash away even the root of that bitter heart. You must resolve that you will make a foundation to live forever with God and attend God as your Father; on that foundation you should be able to induce God to pledge that He will live with you. Where should you go next? You should go to the family-level place of Sabbath rest. Only then can your home become

a place where you can fulfill the formation, growth, and completion stages -- an individual, a couple, and children. Then, in the children's homes, God can dwell forever, in the couple's home, God can dwell forever, and in each individual's home, God can dwell forever. The entire family can dwell forever in the midst of God's love. That is why, at this point, we can witness that the family is the starting point of the heavenly kingdom on earth and in heaven. (286-165, 1997.08.09)

## True Parents' Prayers

### CHAPTER 11. Ceremonies and Holy Days

#### 6. Thank You for this era of unity and liberation of the cosmos

Dear loving Father, this is the fifth anniversary of Chil Pal Jeol (7.8 Day). True Parents inaugurated this holiday on my seventy seventh birthday, at seven minutes and seven seconds after seven o'clock on the seventh day of the seventh lunar month of 1997, and concluded the providence based on the number seven. In so doing, I broke down the barriers to this number, which was to be completed for the ideal of creation.

Due to the fact that humankind fell at the level of the number six and could not go up to the number seven, the realm of the Sabbath, True Parents overcame this and established a new boundary line. Through our life, centered on the conditions for the completion of the number seven representing Heaven and restoration through indemnity, You have been able to proclaim the Cosmic Sabbath for the Parents of Heaven and Earth, Chil Pal Jeol. We are truly grateful, Heavenly Father, for Your being able to do this in keeping with this age.

Throughout the history of suffering in which humankind has had to overcome so many hills and valleys of indemnity, the altars linking the bloodstains sustained by the many religions and people of goodness have been brought together beyond the level of individuals, through the levels of the family, tribe, people, nation and the world. As the offering, in the Old Testament Age all things were sacrificed; in the New Testament Age the children were sacrificed; and in the Completed Testament Age, Parents were sacrificed. By passing through this process, we were able to break through the blockade that besieged us on the hill of the sorrowful grievances caused by Satan, and set up the number eight, completing the number seven through Chil Pal Jeol, a new day marking a boundary line in the

providence. Thus, You have given us the grace of creating the era in which we can go on into a new world, a world of the completion of the providence, for which we are truly grateful.

Throughout history, many founders of religions and men and women of conscience sacrificed themselves for the righteous causes of loyalty and filial piety in their nations. After paying our debts to those saints and sages, who made tremendous sacrifices even at the risk of their lives, we ushered in Chil Pal Jeol centered on the blessings of new liberation. Thereby, through establishing kingship on the levels of the family, people, nation, and world in the spirit world, You connected all humankind, beginning from the 3.6 million and 36 million couples to the 360 million couples and beyond, directly to the authority of liberation by which You can embrace us in Your bosom. For this, we are grateful to You, Father. We are also grateful to You for bringing together all the saints, centered on the blessed families and the liberation of the heavenly world, and allowing them to pioneer the mainstream path based on Your new sovereignty in the spirit world. At the same time, we thank You for bringing about this cosmic age of grace, in which we can receive the benefits of the age through which the grace of the Blessing lost in Adam's family can be reestablished in the earthly world, the rights of the Blessing of all the Cain side ancestors in the spirit world can be brought together to set the one mainstream direction in the spirit world, and the one mainstream direction on earth can lead to the completion of the realm of unity from the individual to the cosmos.

Now, all that is left is for us to bring to fruition all that we have been preparing, based on the establishment of Your kingship. We thank You for allowing us to declare the liberation and unity of the cosmos on January 13, 2001, through the Enthronement Ceremony for the Kingship of God.

Now, based on Your love and work of full transcendence, full immanence, full authority and almighty power, You, our Heavenly Father, can overcome all the obstacles in the evil world, and we can serve You as the Owner who reigns over the universe from a position of freedom and independence, and serve the Parents of Heaven and Earth as the King and Queen of the family, nation and world. We are truly grateful for this grace You have permitted in order to usher in this era, wherein we can create an environment for serving the Parents of Heaven and Earth.

I am especially grateful to You for allowing many young members of the Unification movement to celebrate this day together, by their attendance at the fourteen day workshop on Jeju Island. Further, I am grateful that while walking the path of the Will, You have enabled us to overcome all difficulties that people have been unable to resolve to this day. Thereupon, You have allowed us to establish the family foundation on earth with authority as Your liberated sons and daughters, and thus we can inherit the realm of Your victory. I sincerely pray and ask that You will allow us to become heaven's citizens through our alignment with Your heart, and establish the central tribes, central peoples, and central cosmos based on our families. At the same time, with Your blessing, we will become the families of heaven and earth who can inherit Your lineage and Your kingship.

As we are in the era of transition, in the position of liberated owners, please allow us to become owners of love who are worthy before the universe, by inheriting all things created through Your love. I beseech and wish for You to bestow the blessings of heaven upon this earth so that we can become individuals, families, tribes, peoples and nations who can follow Your path as central figures without shame. We are even more grateful for this day of celebration. We will welcome everything that will occur from this day on with rejoicing hearts. I wish and pray that You will allow us to make the transition to the world of the era in which we can offer this progressive victory to You. On this day of celebration, I earnestly desire that Heaven's grand blessing will be evenly bestowed on all the people on earth as well as in the spirit world. Thereby, as the absolute individuals, families, nations and cosmos centered on love, all of us will march forward, forward and forward toward the world of absolute victory, victory and victory!

I pray all this in True Parents' names. Aju! (August 25, 2001)
