Rev. Jeddie and Elma King welcomed fellow Unificationists from Orlando to the Interfaith Community Center in Kissimmee, Florida on March 1, 2015. It was a joy to hear powerful testimony from Rev. Makoto Maeda, who shared about a spiritual experience he had with True Father.

The two groups felt inspired and reunited like old friends. Sharing food and fellowship, the groups had a lovely afternoon and reaffirmed their commitment to doing God's work. "Let us make our business God business, and work with our True Heavenly Parent to finish the work of creation," said the Kings.
