Greeting from the desk of the Pastor

Greetings Dear Brothers & Sisters,

This past weekend Rev. Kone went to the Pastor's "Bootcamp" in California to receive some guidance from Rev. Thompson the long time pastor of the Bay Area Family Church. He reported that it was a great experience and he was really grateful to hear Rev. Thompson's wealth of experience. More to come on that. We are getting ready for holiday season with Thanksgiving coming up next week. Let us have that attitude of gratitude and remember what we are grateful for in this life.

With love and gratitude.

God Bless

-Justin Okamoto, Assistant Pastor

Humor for the week

A much loved-minister of God once carried a secret burden of long- past sin deep in his heart. He had committed the sin many years before, during his Bible school training. No one knew what he had done, but they did know he had repented. Even so, he had suffered years of remorse over the incident without any sense of God's forgiveness. A woman in his church deeply loved God and claimed to have visions in which Jesus Christ spoke to her. The minister, skeptical of her claims, asked her, "The next time you speak to the Lord, would you please ask Him what sin your minister committed while he was in Bible school." The woman kindly agreed. When she came to the church a few days later the minister asked, "Did He visit you?" She said, "Yes."

"And did you ask Him what sin I committed?"

"Yes, I asked Him," she replied

"Well, what did He say?"

"He said, 'I don't remember.'"
