**Name of Group:** Family work

**Group leader:** Josephine Hamad

**Meeting date & time:** Will decide when and where to meet according to who is interested.

**Group Description:** Practicing emotional support for each other and our children.

"Exciting Opportunity to Communicate, Connect and Grow! An invitation to a unique approach to develop a deeper relationship with Heavenly Parent, within yourself and with others. I learned and benefited tremendously from a re-evaluation counseling. I'm excited to share with those interested about what I added through my experience of God to the insight and the practices taught by this group."
