[Earth Day clean up project in South Tarrytown, Sheldon Brook](#)

Posted: Apr 03, 2018 05:02 pm

A clean up project for the wetlands area on Sheldon Ave. in Tarrytown has been organized by a local resident for Saturday, April 21 "Earth Day, 2018".

This area formerly belonged to the Unification Church but was given over to the town a number of years ago. A fair amount of trash, old

tires, and other garbage has been dumped there over the years. This would be a great opportunity for any of our members living in the South Tarrytown area, also known as "Pennybridge", to get involved in a helpful community activity.
