### Don Cupp

I met our movement in California (my home) and joined in 1980. I worked in CARP and MFT nationally until 1983. In 1982 I received the Matching and Blessing to Michiyo Suzuki at MSG. Shortly after, in 1983 I came and joined the staff at East Garden/Belvedere on Security until now. Our 3 children (2 boys, and a girl) were born (91'93'94') and grew up here.

I would be honored to serve the Community which has been so much a part of our life.

### Benjamin Hack

I am Benjamin Hack from Ossining NY . The last 20 years I have been living in Westchester . When I first got here I helped out with SNA and Sunday Service . More recently I help with small groups and would like to help other people with that.

### David Okamoto

My name is David K Okamoto. I have been part of the WestRock – Belvedere community since 1994. My (5) children grew up in this community. My field of expertise is the business management. I have been involved with our community in Marriage Blessing as the Matching Advisor. Recently I retired from my full time job at Saeilo Enterprises. I hope I find more time to work with the families in Belvedere community to develop the environment for Tribal Messiahship activities. If elected, I will do my best to serve our community in improving the effectiveness of counsel.

## Jennifer Perkins

My name is Jennifer Perkins. I am 25 years old and live in Orange County, New York. I grew up in the Belvedere community and have been inspired both by its consistency of heart and its ability to grow and develop as the times require. Through Sunday School, Choir, Youth Ministry and now Young Adult Ministry, I have been involved to varying degrees for most of my life. Last year, I was staff for the COR Retreat for Unificationist young professionals and this year I have been helping to develop some

sustainable and constructive Young Adult activities in WestRock.

I have also done 2 years of NGA, directed Ignite Adventure Camp for 3 years, and achieved a Bachelor's Degree in Animal Science. I currently work for Endeavor Therapeutic Horsemanship in Bedford, New York as an instructor. Our essential goal, at Endeavor, is to help each of our students become their best self through working with horses in a variety of ways which, if you are curious, I would be more than happy to explain further. I feel very blessed to be able to work in a field I am passionate about while still being close to family and friends and to have the opportunity to make a lasting positive impact on the community I love so dearly.

## Francisco Rondon

My name is Francisco Rondon. I was born in Puerto Rico in 1950. My wife is Jean. We have the 3 daughters and 1 grandson. I worked for many years with Dr. Bo Hi Pak in the 80s. We live in

West Haverstraw, NY. I recently worked as a driving Instructor. I speak Spanish as well as bad English. Have a wonderful day.
