August 22, 2018

Dear Belvedere Family Community,

The Up and Coming NY Youth Ministry would like to inform you about the start of this year's youth group. Our mission is to be a home for young Unificationists and their friends to love their real selves and own their spiritual growth through practice of the five themes of youth ministry. Tentatively, the first day will be on Saturday, September 15th at 4:00pm at Belvedere. This is subject to change, but we will let you know if there is a change in time or date.

We are opening registration for your children and greatly urge you to sign them up as soon as possible. Your children are placed in teams and we can better place them if they are registered earlier. Our program is for middle school and high school students.

The online registration form can be found clicking this link:

Staff Application for Up and Coming 2018 - '19

Thanks for expressing interest in staffing our Up & Coming NY Youth Ministry. Our staff members are among my favorite people in the world. Staffing is a great opportunity to expand your heart and invest into our amazing community. For many of us, Up & Coming has become our home over the years and being a staff member is a great way to give back.

Here are some of our expectations of our staff members:

The most important characteristics of a staff member is being committed, responsible, respectful, and caring. Commitment is a huge part of being a successful staff member. Your regular attendance is extremely important. On top of attending our program on Saturdays, we ask for you to come early on Saturdays for our regular staff meetings. We will also be having a staff training retreat before the year starts and also in the middle of the year which we ask for you to attend. Our last expectation is to ask for you to hold a high moral standard. The kids at Up & Coming are very impressionable and we must be good role models for them to look up to. If you have questions about any of these expectations, feel free to contact me and we can talk about it.

Keep in mind, this is an application which means you may be turned down and you may be subject to an interview.

If you think you can commit to being a staff member for next year then we would love to have you on board! Send in an application and we'll get back to you. Thanks so much again for expressing interest in staffing. Let's work together to keep our Up & Coming NY Youth Ministry a thriving community that our Heavenly Parent and True Parents can be proud of!

If you have read and understood all of this please put a <3 at the end of your name below so that I know you have read this completely.
